Annex 2 - Conditions consistent with the operating Schedule

Section - For Events of less than 500 people (including staff etc)

General

The dates of any Event shall be notified to the Police and the Licensing Authority at least 14 days before the first day of the event, **with total number of people planned to attend detailed.**

The capacity of the premises, inclusive of staff and performers, shall be no more than 500 people.
(Agreed)

The Premises Licence will only permit a maximum of fifteen (15) days where amplified music entertainment can take place on the premises per calendar year. For the purposes of this licence a music entertainment shall be defined as an entertainment where the primary purpose is a programmed act / performance featuring amplified music.

The Premises Licence will only permit a maximum of three days, where amplified music entertainment can take place over consecutive days – within a 72-hour period (an 'Event').

The Premises Licence will only permit a maximum of two (2) 'Large Events per calendar year to take place on the premises.

N.B For the purposes of this licence a ~

- **'Large Event'** shall be defined as an entertainment, where at each event, the capacity is between 300 to 500 people, inclusive of staff and performers.
- **'Small Events'** shall be defined as an entertainment, where at each event the capacity is less than 300 people, inclusive of staff and performers.

The prevention of Public Nuisance

Noise or vibration shall not emanate from the premises so as to cause a nuisance. Noise is defined as sound which is created by entertainment consisting of either vocal (recorded or live) or instrumental music (recorded or live), **bass or drum (recorded or live)** or a combination of all.

~~The premises licence holder shall develop and maintain a Noise Management Plan.(NMP)~~

Suggested rewording:- The Premises Licence holder must appoint an appropriate noise control expert to draft a Noise Management Plan (NMP) for the amplified music activities held on the site. Within 2 months of issuing this licence or 28 days prior to the first sites amplified music entertainment activity of the year. The draft NMP must be submitted to Environmental Health for review. Environmental Health shall communicate any issues with the NMP to the premises licence holder in writing within one calendar month of receipt and agree any amendments with the Premises Licence holder or DPS. Where notification of any issues is not received within one month of receipt of the NMP the draft NMP shall be deemed to be agreed.

~~For each Large Event, an Event Specific Noise Management Plan shall be devised.~~ The NMP must clearly differentiate and detail appropriate controls and monitoring required for 'Large' and 'Small' events. The NMP shall contain (but not be limited to) the following: (Agreed)

- Noise Assessment
- Noise Control Measures
- Monitoring and reporting
- Stakeholder engagement
- Complaints Management
- Review and revision

~~The NMP shall be reviewed at least annually~~ *Suggested rewording:-* The Premises Licence holder must review the NMP on an annual basis or in the event that further amendments are made to the NMP after submission of the final NMP, the Premises Licence holder or the DPS shall notify the Licensing Authority and Environment Health of the change prior to the start of the season or event.

~~A copy of the NMP shall be retained on site and made available to authorised officers of the licensing authority.~~
(Agree)

The Premises Licence holder must comply with the Noise Management Strategy as set out in the NMP and shall ensure that the promoter or organiser, the sound system supplier and all individual sound engineers are informed of any sound control limits.

Make public a program of planned amplified music entertainment days and events no less than 28 days of the event.

The date of any Large events, together with the details of the event organiser will be notified to Environmental Health at least 28 days prior to the event.

The Premises License Holder will maintain a noise monitoring log for each amplified music entertainment events, and this will be kept on the Licence site and will be available at all times for inspection by officers of Herefordshire Council.

The Premises Licence Holder or DPS must immediately comply with any request to adjust noise levels/ frequency spectra made by an 'authorised person' (as defined by Section 13 of the Licensing Act 2003) or the Police.

~~A contact number for the premises, which shall be manned during any event, shall be made available to local residents.~~ *Suggested rewording:-* The premise licence holder or their nominated person will communicate with Local Residents and Local Businesses to ensure they are aware of contact names and contact details to hotline and general office, so that they can report any issues directly to the Licensed Premises.

The noise hotline will be operational throughout the hours of regulated entertainment. All contacts must received a timely response.

~~A record of any call contact to the Hotline during events shall be maintained and shall record:~~

- (a) Date and time of call
- (b) Name and location of caller
- (c) Nature of complaint/incident
- (d) Any remedial action taken

The Complaint log will be available at all times for inspection in the Site Office.

Notices shall be placed on the premises, and at all entrances and exits, reminding customers to respect local neighbours

Litter patrols shall be undertaken during the course of any event and up to, and including the day after any event

~~Noise' from the premises must not be 'audible or discernible' within any occupied permanent structure where people normally reside or sleep, when assessed with windows and doors closed. 'In this conditions; 'Noise' is defined as sound which is created by entertainment consisting of either vocal (recorded or live) or instrumental music (recorded or live) or a combination of both. Audible or discernible' is defined as 'noise' which is distinct above the general hubbub of activity on the site which can be identified by the human ear as originating from discrete sources from the licensed premises'~~
