**PUBLIC QUESTIONS TO CABINET – 12 April 2018**

Question 1

Mr P Eyles, Hereford

To: cabinet member, infrastructure

Under current plans councillors will only be told the number of houses affected by the bypass after a route is chosen. This must be wrong. May councillors now be told how many houses lie within 300 metres of all the potential routes, before they take a decision, in order to permit a fair and informed selection? Otherwise, would an Inspector not consider the decision process to be flawed?

**COUNCILLORS QUESTIONS TO CABINET – 12 April 2018**

Question 1

Councillor RI Matthews, Herefordshire Independents

In a recent Family Court Case brought against Herefordshire Council, the Hon Mr Justice Keehan stated ‘ I have never before encountered two cases where a local authority has so seriously and serially failed to address the needs of the children in its care and so seriously misused, indeed abused, the provisions of Section 20 of the Children’s Act 1989.’

What action is being taken to address this issue?
