Subject: Comments on Submission from Natasha Dunlop

Dear Fred,

I am aware that a document has been served on the council summarising a telephone call between myself and Ms Natasha Dunlop and that this will be heard at the Licensing Sub Committee on 5th December. I therefore thought it would be helpful for the committee to have my written response to assist it in its deliberations.

On Thursday morning on 1st November I telephoned Ms Natasha Dunlop following her request to speak to me the day beforehand. Prior to making this call I met with one of the Licensing Technical Officers, so that I could be fully briefed. As is my practice, I made detailed notes in this meeting to assist and remind me of the various timelines and deadlines, so I have a record of this conversation. I therefore respond in order of the points in Ms Dunlop's letter.

1. Ms Dunlop explained her situation and I recall that she understood that she had missed the deadline for a TENS submission and I that she asked me for discretion to be applied. Her response in her submission is accurate in that I stated that the Licensing Act is prescriptive and I could not offer any discretion.

I would not have used the word "ass" as mentioned, although I am aware that the expression "the law can be an ass" could have been used to Mrs Dunlop in trying to empathise with her about how prescriptive the Licensing Act can seem to be to those who seldom use it. In this respect I recall that she mentioned that she worked for the local authority in the role of safeguarding and that I used this as an example of why the legislation must be fully adhered to, as one of the most important objectives relates to keeping children protected from harm.

2. Given that our call was on the last day for an objection I may have stated that objections would be unlikely so late in the day, although I do recall that I was extremely careful to add the caveat that representations could still be received until midnight, as per my briefing by officers beforehand. Ms Dunlop seems to capture this in her note. I recall that I also offered for the team to ring her on Monday morning so that she would be made aware of how the consultation period finished.

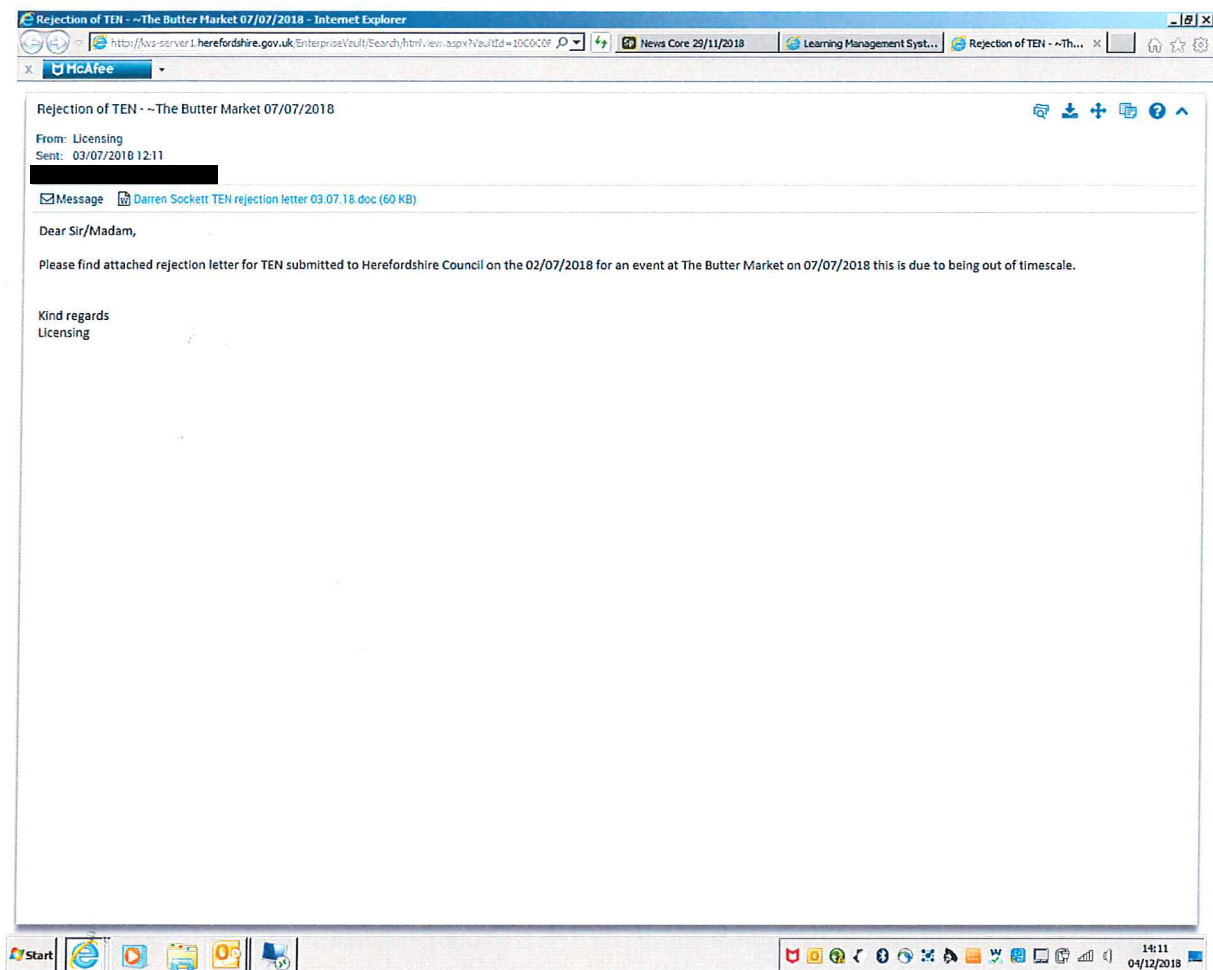

The remainder of this paragraph seems to be getting confused with the public and evidential tests referred to in the council's Enforcement and Prosecution Policy which I would have mentioned when asked about the possibility of formal action being taken. I recall that I was careful not to say that the business would be protected from a licensing review, representation or enforcement as the Licensing Authority would have to proportionately respond to any complaint should the business still choose to sell alcohol to the public.

3. I remember that we discussed Ms Dunlop's experiences in getting advice from the Licensing Team and recall that this was a helpful conversation, providing feedback to the service which I would consider and pass on. In the future we intend to provide pre application advice and this application would have benefited from this. In our discussion about the Licensing Act I may have commented that the planning legislation required the local planning authority to place public adverts and notices to reduce the likelihood of errors and may have compared that to the Licensing Act, where the onus is all on the applicant. However, I would have been careful to add that we have no discretion over this.

I recall apologising at the end of the conversation, because I could not assist her any more than this. I hope this assists with the committee's understanding of this telephone call.

Dear Sir/Madam

Thank you for submitting your application to grant a premise licence at The Buttermarket
I have reviewed the application and found the following to be incomplete:

Section 17 of 21 – Opening Times

The opening times do not match what is being applied for. Sale/Supply of alcohol is for Monday – Saturday 08:00 – 17:00 and Sunday 10:00 – 17:00

The opening times you have requested are Monday – Saturday 08:00 – 17:00

We cannot licence something (ie: Sunday) when the premise is not open.

Sale of Alcohol DPS Consent Form

The proposed DPS needs to fill out the consent form to become DPS. The purpose of this form is to get the proposed DPS' authority to be named on the licence. (form attached).

It was noted that the proposed DPS does not have a personal licence.

A Personal Licence is required by anyone authorising the sale of alcohol from a Licensed Premises. All Licensed Premises must have an allocated Personal Licence Holder, known as the Designated Premises Supervisor (DPS). The DPS must authorise every sale of alcohol.

In order to obtain a Personal Licence; applicants must be 18 years of age or above and will need the following:

- Personal Licence application form – Obtained from local Councils or Licensing Authorities.
- Level 2 Award for Personal Licence Holders Qualification Certificate
- Basic Disclosure and Barring Service (this replaces the CRB check)
- Two passport-size photos - Signed by a professional to prove the identity of the applicant
- Application fee - £37

All of the above must be submitted to the local Council (where the applicant lives) in order to apply for the Licence to sell alcohol.

The Personal Licence is obtained independently of the Premises Licence.

A suitable and sufficient Plan of the premises –

Attached is what the Licensing Authority expects to see on a plan. The plan forms part of the licence

Please amend the application accordingly and re-submit to the Licensing Section. We will put the application on hold until we receive the missing items.

Please be advised that you should not advertise your application until the licensing section has formally accepted your application.

Yours sincerely
Emma

Good afternoon

Thank you for submitting an application for a premise licence.
I am pleased to inform you that the licensing department has accepted your application.
I have attached all the relevant documentation that is needed for the next part of the process.

You are required to advertise in a newspaper that is local to the premise and that is distributed door to door OR that is readily available at local shops/premises.
This needs to be done within 10 working days of 6th October 2018 (day 1 being the 6th).

Also you will need to advertise on blue paper on the premises for the full 28day consultation period (blue notices to go up at the premise on the 5th, ready in place for the 6th).
These notices should be placed where the public have access to, whether they are coming to the premise or passing at the end of a lane should the premises have one. The notices need to be placed every 50m around the perimeter of the proposed licensed area.

I hope this makes sense, please contact me should you have any queries

Many thanks

Subject: Butter Market Newspaper Advert

Good morning both

Thank you for submitting the newspaper Advert for The Butter Market
I have checked through the newspaper advert and unfortunately, it has come to our attention that the notice placed in the newspaper is incorrect. It doesn't give the full details of the Grant applied for.

The advert proposes that
Sale and consumption of alcohol between 08:00 – 17:30

The application (copy attached) proposes

Recorded Music (Indoors) & Sale/Supply of Alcohol (consumption on and off the premises)
Monday – Saturday
08:00 – 17:30
Sunday 10:00 – 16:00

Live Music (Indoors)
Saturday
10:00 – 16:00

Non-Standard Timings
Sale/Supply of Alcohol on every Wednesday in December until 21:00

As you can see there are **discrepancies (highlighted in red)** between the activities/timings in the application and what was advertised.

Under the Live Music Act 2012, a licence is not required to stage a performance of live music, or the playing of recorded music if:

- ***it takes place between 8AM and 11PM; and***
- ***it takes place at an alcohol on-licensed premises; and***
- ***the audience is no more than 500 people***

You also don't need a licence:

- ***to put on unamplified live music at any place between the same hours***

As the hours applied for Live Music & Recorded Music fall under the Live Music Act 2012, you can have Live & Recorded Music at the premises as long as it falls within the bullet points above.

It is now a matter for you as to how you further this matter. One option open to you would be request us to re-start the 28-day period again. Whilst there would be no additional fee for this to us, you would

be required to re-advertise your application in the newspaper again showing the amended consultation dates, and **full details** of the variation.

Another option open to you would be to grant the application as advertised in the newspaper advert with the timings stated below.

So your premise licence would read;

Sale/Supply of Alcohol for consumption on and off the premises

Monday – Saturday 08:00 – 17:30

Sunday 10:00 – 16:00

Please confirm in writing your intention on how you wish to proceed.

Many thanks

Emma

Dear Emma,

Unfortunately the newspaper advert was placed before I got involved, so was outside my control. Apparently the applicant tried on many occasions to get some advice and guidance, but didn't get a ring back - hence they came to me.

HOWEVER, in the meantime... because it's so close to Christmas and the Festive Season, can we take you up on your offer of the grant of that Licence as specified below ie

Sale/Supply of Alcohol for consumption on and off the premises

Monday – Saturday 08:00 – 17:30

Sunday 10:00 – 16:00

We will put in some Variations at a later date depending on how the business grows and develops. Thank you very much for all your help, as always.

Hi Nick

I have looked back at all the callbacks and emails that have come in since 30.09.18 and I can't find anything logged from your client requesting they needed guidance with the advert.

As you may know, when we accept applications and let applicants know the consultation dates, we do send them out a guidance template (which I have attached) as well as the blank templates. On top of this template it does say

It is with regret that the Authority now finds itself unable to provide any advice in respect of newspaper or premise notices. The Authority is providing the template below as GUIDANCE ONLY and accepts NO RESPONSIBILITY for any advertisement which is incorrect. The copy of the guidance template and blank templates were sent to your client by email on 05.10.18 at 16:19 along with the acknowledgement letters.

I hope this clarifies things.

With regards to pressing on with the application, thank you for confirming how your client wishes to proceed, I have saved this into the file.

We would have had to receive the notice by Friday 26th October 2018 at 17:00 at the very latest. Saturday's, Sunday's and Bank Holiday's do not count as working days.**

Standard TEN -the processing time for the application is 10 working days. In calculating the 10 days the government have advised us that we cannot count the day that the application is received or the day of the actual event.

A **Late TEN** can be given no later than **5 working** days but no earlier than 9 working days before the event in relation to which the notice is given. In calculating the 9-5 days the government have advised us that we cannot count the day that the application is received or the day of the actual event. A late notice given later than 5 working days before the event to which it relates will be returned as void and the activities described in it will not be authorised.

We will arrange a refund, which you will receive in due course.
