Budget amendment (2) – Councillor RI Matthews

The Cabinets approved budget recommends £225,000 in savings in regard to reduced costs of school, college and public transport and the removal of subsidy for community transport.

We move an amendment to the effect that spending of these projects remain as at present and that to balance the budget the figure of £225,000 to be taken from the community transport vehicle grant, reducing the grant from £500,000 to £275,000.
