I am aware that Ledbury Mini Market are to have their License to sell Alcohol at a Review Hearing in the next couple of weeks as a result of selling Counterfeit tobacco.

I would like to make the following representation on behalf of West Mercia Police

West Mercia Police support the License Review brought by Trading Standards of Herefordshire Council for the revocation of the Alcohol license for the above stated premises.

The sale of counterfeit tobacco whilst being illegal brings into question how legitimate this business is.

When a license to sell alcohol is granted following careful consideration it is expected that the premises will promote all the licensing objectives which includes the Prevention of Crime and Disorder, this premises has clearly failed to do this this. The selling of counterfeit tobacco has clear links to organised crime and also fails legitimate businesses that pay full duty on the products they sell.
