## Statement of Truth

My name is Alison Jane YARNOLD and I live at 14 Foundry Place, LEOMINSTER. Mt house literally backs onto Shooters Bar in Burgess Street, LEOMINSTER – a matter of a few feet away. I've lived here since May 2017.

I have been asked about whether Noise Nuisance or any other form of disturbance affects me where I live. I can tell you that it used to be terrible. However all this changed a while back – several months, maybe more – when it all went really quiet from Shooters. I don't hear any music from Shooters anymore.

The real nusiance is from the Black Swan, and it sounds like the women are worse than the men for shouting.
