- (b) Any other decision which in the opinion of the monitoring officer is likely to be significant in terms of its effect on:
  - two or more wards or electoral divisions
  - one ward (unless the number of those affected is very small or it is impractical to treat this as a key decision)
 and having regard to:
  - the strategic nature of the decision
  - whether the outcome will have an impact, for a better or worse, on the amenity of the community or quality of service provided by the authority to a significant number of people living or working in the locality affected.
- (c) Any substantive decision made by the cabinet to bring forward proposals to council to amend the policy framework (not being subject to call-in).
