<b>Title</b>	<b>LED Street lighting - additional assets</b>
Decision maker	Assistant Director for Regulatory, Environment and Waste Services
Date of decision	11 March 2019
Report exemption class	Open
Purpose	<p>To approve the conversion of the Council's remaining street lighting and public lighting to LED on an invest to save basis.</p> <p>In 2018/19 approximately 180 lights were added to the council's street lighting inventory from new highway adoptions and through the consolidation of all public lighting into the public realm service.</p> <p>As these lights are additional to the initial LED street lighting project, this report seeks approval to utilise the underspend in the pre-approved capital budget for LED street lighting to convert the remaining public street lighting to LEDs on an invest to save basis at a cost of £81k.</p>
<b>Decision</b>	<p><b>That:</b></p> <p><b>(a) All remaining street lights and public lighting are upgraded to LEDs at a cost of no more than £81k; and</b></p> <p><b>(b) the energy &amp; active travel manager be authorised to take all operational decisions necessary to implement the above recommendations within the approved budget, utilising the council's public realm contractor.</b></p>
Reason for the decision	<p>As set out in the report. Documents relating to this decision are available at</p> <p><a href="http://councillors.herefordshire.gov.uk/mglIssueHistoryHome.aspx?IId=50029637">http://councillors.herefordshire.gov.uk/mglIssueHistoryHome.aspx?IId=50029637</a></p>
Consultation	
Options considered	<p>1. <b>Do nothing</b> - The council will not benefit from the financial and carbon savings these projects offer and the council's ability to deliver against its carbon reduction targets.</p>
