The Southern Team Leader summarised the points raised in a further letter of correspondence from the applicant.

The Chairman, speaking in her capacity as the Local Ward Member, thanked the Case Officer for producing a detailed report and felt that it was a fair appraisal of the site. She noted that both Welsh Water, and the Environment Agency had not objected to the application and that Whitchurch Parish Council were also in support. She felt that

SOUTHERN AREA PLANNING SUB-COMMITTEE WEDNESDAY, 18TH JANUARY, 2006

granting the application would result in an increase in tourism in the area and would also be beneficial to the local economy. She also felt that the log cabins would not be detrimental to the Area of Outstanding Natural Beauty.

Councillor Mrs. J.A. Hyde felt that the site visit had been beneficial to Members. She felt that the log cabins were non intrusive and that the site was extremely well run.

Councillor H. Bramer felt that the proposed log cabins were less intrusive than the current static caravans. He also noted that the amusement park was more detrimental to the Area of Outstanding Natural Beauty than the log cabins would be.

The Southern Team Leader advised Members that the South Herefordshire Local Plan acknowledged the current leisure complex and caravan park but that policy SY2 clearly stated that no further spread of the developments would be permitted.

RESOLVED:

That: (i) The Southern Area Planning Sub-Committee is minded to approve the application subject to the conditions set out below (and any further conditions felt to be necessary by the Head of Planning Services) provided that the Head of Planning Services does not refer the application to the Planning Committee:

109. DCSE2005/3821/O - GARDEN OF BALLARD LODGE, EASTFIELD ROAD, ROSS-ON-WYE, HEREFORDSHIRE, HR9 5JZ (AGENDA ITEM 8)

Site for erection of dwelling.

In accordance with the criteria for public speaking, Mr. Goldsworthy, the applicant's agent, spoke in support of the application.

Councillor Mrs. C.J. Davis, one of the Local Ward Members, noted that a request for planning permission was approved in 1989 but had unfortunately been allowed to lapse. She felt that the application should be granted contrary to the Officer's recommendation.

Councillor Mrs. A.E. Gray, the other Local Ward Member, noted the concerns raised by the Council's Traffic Manager regarding the access onto Walford Road.

RESOLVED:

That planning permission be refused for the following reasons:

1 Having regard to Policies GD.1, C.22 and C.23 within Part 1 of the South Herefordshire District Local Plan and Policy 3 within Part 3 of the South Herefordshire District Local Plan a proposed dwelling on this site is considered to be an unacceptable form of development.

The erection of a dwelling, due to its likely position and the creation of a vehicular access, would appear both prominent and intrusive in the street scene of Walford Road and would adversely affect the character of the adjacent Conservation Area. In addition, it is likely that the

erection of a dwelling would have an adverse impact on the amenities of the existing adjoining dwellings.

- 2 The proposal would result in the public sewerage system being overloaded and would be likely to increase the risk of flooding and environmental pollution. The proposal therefore conflicts with Policies C40 and C43 of the South Herefordshire District Local Plan.

110. DCSE20054025F - 5 MALMO PLACE, GLEWSTONE, ROSS-ON-WYE, HEREFORDSHIRE, HR9 6RW (AGENDA ITEM 9)

The Senior Planning Officer reported the receipt of comments from the Transport Manager who raised no objections to the application. She also reported the receipt of four further letters of support for the application, including one letter from the applicant.

In accordance with the criteria for public speaking, Mr. Pickering, representing Marstow Parish Council, spoke in objection to the application.

RESOLVED:

That following the expiry of the consultation period the officers named in the Scheme of Delegation to Officers be authorised to issue planning permission subject to the following conditions and any additional conditions considered necessary by officers:

- 1 **E08 (Domestic use only of garage)**

Reason: To ensure that the garage is used only for the purposes ancillary to the dwelling.

- 2 **E09 (No conversion of garage to habitable accommodation)**

Reason: To ensure adequate off street parking arrangements remain available at all times.

- 3 **G09 (Retention of trees/hedgerows)**

Reason: To safeguard the amenity of the area.
