**2. DECLARATIONS OF INTEREST**

**GUIDANCE ON DECLARING PERSONAL AND PREJUDICIAL INTERESTS AT MEETINGS**

The Council's Members' Code of Conduct requires Councillors to declare against an Agenda item(s) the nature of an interest and whether the interest is personal or prejudicial. Councillors have to decide first whether or not they have a personal interest in the matter under discussion. They will then have to decide whether that personal interest is also prejudicial.

A personal interest is an interest that affects the Councillor more than most other people in the area. People in the area include those who live, work or have property in the area of the Council. Councillors will also have a personal interest if their partner, relative or a close friend, or an organisation that they or the member works for, is affected more than other people in the area. If they do have a personal interest, they must declare it but can stay and take part and vote in the meeting.

Whether an interest is prejudicial is a matter of judgement for each Councillor. What Councillors have to do is ask themselves whether a member of the public – if he or she knew all the facts – would think that the Councillor's interest was so important that their decision would be affected by it. If a Councillor has a prejudicial interest then they must declare what that interest is and leave the meeting room.

## **PUBLIC INFORMATION**

### **HEREFORDSHIRE COUNCIL'S SCRUTINY COMMITTEES**

The Council has established Scrutiny Committees for Adult Social Care and Strategic Housing, Childrens' Services, Community Services, Environment, and Health. A Strategic Monitoring Committee scrutinises corporate matters and co-ordinates the work of these Committees.

The purpose of the Committees is to ensure the accountability and transparency of the Council's decision making process.

The principal roles of Scrutiny Committees are to

- Help in developing Council policy
- Probe, investigate, test the options and ask the difficult questions before and after decisions are taken
- Look in more detail at areas of concern which may have been raised by the Cabinet itself, by other Councillors or by members of the public
- "call in" decisions - this is a statutory power which gives Scrutiny Committees the right to place a decision on hold pending further scrutiny.
- Review performance of the Council
- Conduct Best Value reviews
- Undertake external scrutiny work engaging partners and the public

Formal meetings of the Committees are held in public and information on your rights to attend meetings and access to information are set out overleaf

## **PUBLIC INFORMATION**

### **Public Involvement at Scrutiny Committee Meetings**

You can contact Councillors and Officers at any time about Scrutiny Committee matters and issues which you would like the Scrutiny Committees to investigate.

There are also two other ways in which you can directly contribute at Herefordshire Council's Scrutiny Committee meetings.

#### **1. Identifying Areas for Scrutiny**

At the meeting the Chairman will ask the members of the public present if they have any issues which they would like the Scrutiny Committee to investigate, however, there will be no discussion of the issue at the time when the matter is raised. Councillors will research the issue and consider whether it should form part of the Committee's work programme when compared with other competing priorities.

Please note that the Committees can only scrutinise items which fall within their specific remit (see below). If a matter is raised which falls within the remit of another Scrutiny Committee then it will be noted and passed on to the relevant Chairman for their consideration.

#### **2. Questions from Members of the Public for Consideration at Scrutiny Committee Meetings and Participation at Meetings**

You can submit a question for consideration at a Scrutiny Committee meeting so long as the question you are asking is directly related to an item listed on the agenda. If you have a question you would like to ask then please submit it **no later than two working days before the meeting** to the Committee Officer. This will help to ensure that an answer can be provided at the meeting. Contact details for the Committee Officer can be found on the front page of this agenda.

Generally, members of the public will also be able to contribute to the discussion at the meeting. This will be at the Chairman's discretion.

(Please note that the Scrutiny Committees are not able to discuss questions relating to personal or confidential issues.)
