## GUIDANCE ON DECLARING PERSONAL AND PREJUDICIAL INTERESTS AT MEETINGS

### What is a personal interest?

You have a personal interest in a matter if that matter affects the well-being or financial position of you, your relatives or people with whom you have a close personal association more than it would affect the majority of other people in the ward(s) to which the matter relates.

A personal interest can affect you, your relatives or people with whom you have a close personal association positively or negatively. If you or they would stand to lose by the decision, you should also declare it.

You also have a personal interest in a matter if it relates to any interests, which you must register.

### What do I need to do if I have a personal interest?

You must declare it when you get to the item on the agenda headed "Declarations of Interest" or as soon as it becomes apparent to you. You may still speak and vote unless it is a prejudicial interest.

If a matter affects a body to which you have been appointed by the authority, or a body exercising functions of a public nature, you only need declare the interest if you are going to speak on the matter.

### What is a prejudicial interest?

You have a prejudicial interest in a matter if;

- a) a member of the public, who knows the relevant facts, would reasonably think your personal interest is so significant that it is likely to prejudice your judgment of the public interest; and
- b) the matter affects your financial interests or relates to a licensing or regulatory matter; and
- c) the interest does not fall within one of the exempt categories at paragraph 10(2)(c) of the Code of Conduct.

### What do I need to do if I have a prejudicial interest?

If you have a prejudicial interest you must withdraw from the meeting. However, under paragraph 12(2) of the Code of Conduct, if members of the public are allowed to make representations, give evidence or answer questions about that matter, you may also make representations as if you were a member of the public. However, you must withdraw from the meeting once you have made your representations and before any debate starts.

<b>TITLE OF REPORT:</b>	<b>FOOTPATH MA32 (PART) MATHON PUBLIC PATH DIVERSION ORDER 2011</b>
<b>PORTFOLIO AREA:</b>	<b>Highways Transportation and Community Services</b>

**CLASSIFICATION:** Open

### **Ward Affected**

Hope End

### **Purpose**

To consider an application under the Highways Act 1980 Section 119, to make a Public Path Diversion Order to divert part of footpath MA32 in the Parish of Mathon.

### **Key Decision**

This is not a Key Decision.

### **Recommendation**

**THAT a public path diversion Order is made under section 119 of the Highways Act 1980, as illustrated on drawing number D369/265-32(i).**

### **Key Points Summary**

- The landowner Mr. G. J. Richards, owner of John Richards Nurseries applied for the diversion of part of footpath MA32, in the Parish of Mathon, in July 2004.
- The reason for proposing the diversion is to allow the land over which the footpath currently crosses to be used for an extension to the nursery which would then need to be fenced off from the public to safeguard the security of the site.
- The proposed diversion is not significantly longer than the existing route and follows the banks of a lake providing what might be considered to be a more attractive route.
- Pre-Order consultation and negotiations have been carried out and the proposal has general support.

### **Alternative Options**

- 1 Under Section 119 of the Highways Act 1980, the Council has the power to make diversion Orders; it does not have a duty to do so. The Council could reject the application on the grounds that it does not contribute sufficiently to the wider ambitions and priorities of the

Further information on the subject of this report is available from Chris Chillingworth

Rights of Way Officer on 01432 842100

Council. However, as the proposal allows for unobstructed access and has general support this could be considered unreasonable.

## Reasons for Recommendations

- 2 The Public Path Order should be made because it is felt that it meets the criteria set out in Section 119 of the Highways Act 1980 and the Herefordshire Council's Public Path Order Policy.

## Introduction and Background

- 3 This report is being considered by the Regulatory Sub Committee because it has the delegated authority to make the decision whether or not to make an Order.

## Key Considerations

- 4 Mr. Richards made an application on 9<sup>th</sup> July 2004. The reason given for making the application was that having recently acquired the land over which the footpath runs he wished to extend his adjacent nursery to include part of this land.
- 5 Pre-Order consultation was carried out in 2006/7 but it was not progressed because of lack of resources available at that time. Due to more resources being put into progressing applications and an improved system, the application can now be taken forward.
- 6 The proposed route introduces no new structures and provides an attractive alternative around the edge of a small lake.
- 7 The proposal had general agreement and support when the proposal was originally considered during informal consultations carried out during 2006/7. There are no outstanding objections.
- 8 The applicant has agreed to pay for our administration, associated advertising costs, and for bringing the path into operation.
- 9 The Local Member, Councillor C.N.H. Attwood, has raised no objections to the application.
- 10 The proposed diversion meets the specified criteria set out in Section 119 of the Highways Act 1980, and in particular that:
  - the proposal benefits the owner of the land;
  - the proposal is not substantially less convenient to the public; and
  - it would be expedient to proceed with the proposal given the effect it will have on public enjoyment of the footpath.

## Community Impact

- 11 The Parish Council and local user groups have been consulted as part of the process and the proposal has general agreement and support. Councillor Attwood has been consulted and has not objected to the proposal.

Further information on the subject of this report is available from Chris Chillingworth

Rights of Way Officer on 01432 842100

## **Financial Implications**

- 12 The applicant has agreed to pay the Council's costs in respect of making of a diversion Order and to pay associated advertising costs. The applicant will be charged the rate applicable in 2004 taking into account that they have carried out their own pre-order consultation (£400) and will be responsible for costs incurred in bringing the path into operation.

## **Legal Implications**

- 13 Under section 119 of the Highways Act 1980, the Council has the power to make diversion orders; it does not have a duty to do so.

## **Risk Management**

- 14 Should an Order be made to divert part of footpath MA32, as recommended within this report, there is a risk that the Order will receive objections and would then require referral to the Secretary of State which could increase the demands on officer time and resources. However, extensive informal consultations and negotiations have taken place to minimise the risk of such objections.

8. The Committee can then reach a decision in the usual way, but in the absence of parties.

<b>MEETING:</b>	<b>REGULATORY COMMITTEE</b>
<b>DATE:</b>	<b>1 NOVEMBER 2011</b>
<b>TITLE OF REPORT:</b>	<b>APPLICATIONS TO LICENCE 2 X PRIVATE HIRE VEHICLES OUTSIDE STANDARD CONDITION 3.1ii BY MR JOHN JAMES MARSHALL</b>
<b>PORTFOLIO AREA:</b>	<b>HEALTH AND WELLBEING SERVICE</b>

**CLASSIFICATION:** Open

### **Wards Affected**

Countywide

### **Purpose**

To decide whether to licence two vehicles outside the standard vehicle licence conditions.

### **Key Decision**

This is not a key decision.

### **Introduction and Background**

1. Under the terms of the Town Police Clauses Act 1847 and the Local Government (Miscellaneous Provisions) Act 1976, local authorities may make reasonable conditions for the regulation of hackney carriages and private hire vehicles, drivers and operators.
2. The current version of the standard licence conditions were approved at Regulatory Committee on the 31<sup>st</sup> March 2010.
3. The conditions state that for a new Private Hire Licence application, the vehicle to be licensed shall not be more than:
  - i. 5 years old for a wheelchair accessible vehicle that conforms to section 6 or
  - ii. Two years old for any other type of vehicle.
 The age of the vehicle shall be determined by the date of first registration on the registration document. The vehicle must comply with the vehicle specifications contained in section 4.
4. Mr Marshall made his new vehicle, driver and operator applications on 30<sup>th</sup> September 2011.

Claire Berrow – Licensing Officer on (01432) 383542

## Recommendations

THAT the Sub-Committee:

- (a) Grant the vehicle licence on the Lincoln Limousine on this occasion outside the standard conditions.
- (b) Refuse the Mini Bus licence.

## Key Points Summary

- Vehicle applications fall outside standard conditions.
- Applications made on 20<sup>th</sup> September 2011

## Alternative Options

- 1 **The licence cannot be granted and therefore is refused**  
**Advantages:** It ensures that the existing licence conditions are met.  
**Disadvantages:** It could be subject to legal challenge.  
**Reason for rejection:** Although this has been considered it has not been recommended as it is considered to be inappropriate and unreasonable given the circumstances.
2. **To defer the decision in order to get more information**  
The Committee could make a decision to grant the licence subject to that information meeting the criteria set by committee being produced to the Licensing Officer. Where this was not produced the licence would remain not granted until that information was produced.  
**Advantages:** Gives the opportunity for the applicant to produce further information in support of the application and allows him a fair hearing. It would also reduce the need for an additional Committee Hearing thus saving costs.  
**Disadvantages:** This would delay the decision making process and may mean that the livelihood of the applicant could be affected.  
**Reason for rejection:** It is felt that any information required to reach a decision has been provided within the application.  
  
**To reach some other decision**  
**Advantages:** This leaves other solutions open to the Committee to resolve the application.  
**Disadvantages:** There are no clear directions from the Head of Service in respect to what alternatives could exist.  
**Reason for rejection:** It is difficult to envisage what other decision could be reached.

## Reasons for Recommendations

The Lincoln Limousine is a specialist vehicle and it is unlikely that a vehicle under 2 years of age would be affordable. The Minibus is not a specialist vehicle and the applicant had full knowledge of the conditions prior to purchasing the vehicle.

## Key Considerations

Whether or not, given the circumstances, the application should be granted outside the standard conditions.

## **Community Impact**

It is felt that any decision made will have very little or no impact on the community.

## **Financial Implications**

Not applicable

## **Legal Implications**

Under the Local Government (Miscellaneous Provisions) Act 1976 there is a right of appeal to a Magistrates Court within 21 days of notification of the decision being served on the applicant.

## **Appendices**

Appendix 1 – Copy of standard licence conditions

Appendix 2 – Copy of application forms and Registration Documents

## **Background Papers**

Background papers are available for inspection in the Council Chamber, Brockington, 35 Hafod Road, Hereford 30 minutes before the start of the hearing.
