### 10. DATE OF NEXT MEETING

The next scheduled meeting is Wednesday 24 November 2021, 10.15 am.

### The Public's Rights to Information and Attendance at Meetings

In view of the continued prevalence of covid-19, we have introduced changes to our usual procedures for accessing public meetings. These will help to keep our councillors, staff and members of the public safe.

Please take time to read the latest guidance on the council website by following the link at <a href="www.herefordshire.gov.uk/meetings">www.herefordshire.gov.uk/meetings</a> and support us in promoting a safe environment for everyone. If you have any queries please contact the Governance Support Team on 01432 261699 or at <a href="governancesupportteam@herefordshire.gov.uk">governancesupportteam@herefordshire.gov.uk</a>

We will review and update this guidance in line with Government advice and restrictions. Thank you for your help in keeping Herefordshire Council meetings safe.

### You have a right to:

- Attend all Council, Cabinet, Committee and Sub-Committee meetings unless the business to be transacted would disclose 'confidential' or 'exempt' information.
- Inspect agenda and public reports at least five clear days before the date of the meeting.
   Agenda and reports (relating to items to be considered in public) are available at <a href="https://www.herefordshire.gov.uk/meetings">www.herefordshire.gov.uk/meetings</a>
- Inspect minutes of the Council and all committees and sub-committees and written statements of decisions taken by the Cabinet or individual Cabinet Members for up to six years following a meeting.
- Inspect background papers used in the preparation of public reports for a period of up to four years from the date of the meeting. (A list of the background papers to a report is given at the end of each report). A background paper is a document on which the officer has relied in writing the report and which otherwise is not available to the public.
- Access to a public register stating the names, addresses and wards of all Councillors with details of the membership of Cabinet and of all Committees and Sub-Committees. Information about councillors is available at www.herefordshire.gov.uk/councillors
- Have access to a list specifying those powers on which the Council have delegated decision making to their officers identifying the officers concerned by title. Information about councillors is available at <a href="https://www.herefordshire.gov.uk/councillors">www.herefordshire.gov.uk/councillors</a>
- Copy any of the documents mentioned above to which you have a right of access, subject to a reasonable charge (20p per sheet subject to a maximum of £5.00 per agenda plus a nominal fee of £1.50 for postage).
- Access to this summary of your rights as members of the public to attend meetings of the Council, Cabinet, Committees and Sub-Committees and to inspect and copy documents.

### **Recording of meetings**

Please note that filming, photography and recording of this meeting is permitted provided that it does not disrupt the business of the meeting.

Members of the public are advised that if you do not wish to be filmed or photographed you should let the governance services team know before the meeting starts so that anyone who intends filming or photographing the meeting can be made aware.

The reporting of meetings is subject to the law and it is the responsibility of those doing the reporting to ensure that they comply.

The council may make a recording of this public meeting or stream it live to the council's website. Such recordings form part of the record of the meeting and are made available for members of the public via the council's web-site.

### **Public transport links**

The Herefordshire Council office at Plough Lane is located off Whitecross Road in Hereford, approximately 1 kilometre from the City Bus Station.

The location of the office and details of city bus services can be viewed at: <a href="http://www.herefordshire.gov.uk/downloads/file/1597/hereford-city-bus-map-local-services-">http://www.herefordshire.gov.uk/downloads/file/1597/hereford-city-bus-map-local-services-</a>

### **Guide to Audit and Governance Committee**

The Audit and Governance Committee is a non executive committee of the council. The committee consists of 7 non executive councillors and may include an independent person who is not a councillor.

Councillor Nigel Shaw (Chairman)	Conservative
Councillor Christy Bolderson (Vice Chairman)	Conservative
Councillor Dave Boulter	Independents for Herefordshire
Councillor Jenny Bartlett	Green
Councillor Peter Jinman	Independents for Herefordshire
Councillor Bob Matthews	True Independents
Councillor Yolande Watson	Independents for Herefordshire

The purpose of the audit and governance committee is to provide independent assurance on the adequacy of the risk management framework together with the internal control of the financial reporting and annual governance processes. The committee do this by:

- (a) ensuring the effective and fully compliant governance of the council and in particular to ensure that all aspects of the financial affairs of the council are properly and efficiently conducted;
- (b) reviewing and approve the council's annual governance statement, annual statements of account, the contract procedure rules and financial procedure rules;
- (c) scrutinise the effectiveness of, and management compliance with, the systems identified in the annual governance statement framework;
- (d) monitor the progress made by management in implementing improvements to elements of that framework identified by external or internal audit review; and.
- (e) reviewing the constitution and recommending any necessary amendments to Council as appropriate.
- (f) reviewing the corporate risk register

### The Seven Principles of Public Life

(Nolan Principles)

### 1. Selflessness

Holders of public office should act solely in terms of the public interest.

### 2. Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.

### 3. Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

### 4. Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

### 5. Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

### 6. Honesty

Holders of public office should be truthful.

### 7. Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

### 30 QUESTIONS FROM COUNCILLORS

No questions had been received from Councillors.

### 31 ENERGY FROM WASTE LOAN UPDATE

Andrew Lovegrove, Chief Finance Officer, introduced the report the purpose of which was to update the Audit and Governance Committee on the current status of the energy from waste loan arrangement and to enable the Committee to fulfil its delegated functions.

During discussion the following principal points were made:

- The loan arrangement was being repaid as expected and the Section 151 Officer had no concerns about the financial viability of the project.
- There were concerns however about what would happen when the current contract arrangements came to an end and how new terms would be renegotiated.
- At the end of the current contract there would be a balance outstanding on the loan but the value of the Plant was far in excess of this amount.
- There were a number of options being considered for when the contract came to an end including agreeing an extension to the contract and refinancing, selling the Plant or the Council taking over the arrangements.
- The role of the Audit and Governance Committee was to oversee the role of the Council acting as a bank.
- It was never envisaged that the £40m would be repaid over the current contract as the value of the Plant greatly exceeded the cost of the loan.

#### The Committee RESOLVED that:

- 1. The risks to the Council, as lender, were confirmed as being reasonable and appropriate having regard to the risks typically assumed by long term senior funders to waste projects in the United Kingdom and best banking practice; and
- 2. Arrangements for the administration of the loan were reviewed and confirmed as satisfactory.
- The Section 151 officer writes to the Worcestershire Committee, referring to the dynamic nature of the ownership change, and requests that the Audit and Governance Committee is kept up to date with any changes to the risk register kept by Worcestershire in relation to this matter.

#### 32 CORPORATE RISK REGISTER

Paul Harris, Head of Corporate Performance, introduced the report the purpose of which was to consider the status of the Council's corporate risk register in order to monitor the effectiveness of risk management within the Performance Management Framework.

During discussion the following principal points were made:

- The report provided an update of the Council's risk register as at the end of July 2021. There
  had been some movement since the last report to the Committee including the following 3
  escalated risks;
  - 1. The development of a Sufficiency Strategy which supports best value.
  - 2. High risk notable cases within the Courts.
  - 3. The sustainability and closure of a care-home which has been reintroduced as a risk in Adults and Communities.

- It had been a year since the new risk framework had been implemented. The new changes
  had been embedded by external risk training which had reinforced the benefits of managing
  risk effectively. In addition risk leads had been identified in each directorate which brought
  about an inter-directorship risk leadership team which meant that Management Board
  looked at risk much more readily.
- The approach to risk was similar to that taken by other Local Authorities.
- Members voiced concern that there was an overarching risk for the Council, as the place of last resort, to bail out partner organisations.
- The Council did not have an automatic right to access partners' risk registers but it could do
  so if there was a provision of information clause in the contractual arrangements with them
  and if it was appropriate to do so for audit purposes.
- Emergency planning for Covid was still in place so the Covid Risk Register remained as a separate operational risk register. However it was likely that some aspects, for example, the impact of Covid on learners, would push out and more fittingly reside in a strategy risk setting.
- Officers would explore whether service areas' sensitivity to risk from external factors such
  as interest rate rises or the availability of fuel, could be captured in any new risk systems.
  The Strategic Risk Management Board however had a responsibility to horizon scan for any
  potential risk.
- The Treasury Management Strategy which was reviewed every year by Council addressed issues such as interest rate rises. The majority of the Council's current borrowing was fixed term so any changes in interest rates did not affect it and any spare cash was invested so a rise in interest rates would be positive.

### The Committee RESOLVED that:

- 1. The significant Partnership Framework should consider how risks held by partners are assessed and how they affect the Council.
- 2. Third party risks will be considered as part of the refresh of the Annual Management Plan.
- 3. 'Global' factor risks such as interest rate fluctuations and workforce shortages are reviewed in relation to their sensitivity to sudden change.

#### **ACTIONS:**

- a) The Head of Corporate Performance to provide the Committee with a briefing paper on how risks such as EP-24 flood risk and EP-27 fuel poverty are being managed in rural areas.
- b) The Head of Corporate Performance to consider the increase of housing developments in rural areas and the impact these may have on the risk register.

#### 33 ANNUAL GOVERNANCE STATEMENT – DRAFT FOR 2020/21

The Committee received the Annual Governance Statement report the purpose of which was to seek the views of the Committee as to whether the draft Annual Governance Statement for 2020/21 properly reflected the risk environment the Council was operating in and the appropriateness of any actions required to improve it.

During discussion the following principal points were made:

- Members sought assurances that where there was missing information on significant partnerships that these gaps would be investigated and completed.
- The high level overview format used to show information about Strategic Partnerships and shown at Appendix 3 was welcomed by Councillors.

- The old performance challenge sessions were now called oversight and improvement sessions.
- The Monitoring Officer confirmed that going forward the number of meetings where the public were excluded would be recorded and reported to full Council in the Leader's report.
- Although some sections had been signed off by officers who no longer worked for the Council this reflected a point in time and there would be a final overall sign off by the Solicitor to the Council and the Chief Finance Officer.

#### The Committee **RESOLVED** that:

- 1. The draft annual governance statement in appendix 1 properly reflected the risk environment the Council was operating in and that actions identified were an appropriate response.
- 2. Having considered the register of significant partnerships, they would request that the s151 Officer commission a SWAP audit on the outstanding self-assessment.
- 3. Where there were incomplete partnership statements that these be completed, and that the format being used for the statements' current presentation should continue, and be applied to all new significant partnerships and completed within a six month timeframe.

#### **ACTIONS:**

- a) The Solicitor to the Council to produce a briefing note on the approach, process and timing of the refresh of the Strategic Partnerships.
- b) The Solicitor to the Council to recirculate the SWAP audit on the transparency and governance of strategic partnerships.
- c) The Section 151 officer to inform the Committee of the percentage figure of employees with budget responsibilities who had completed the on-line awareness module regarding finance.

#### 34 WORK PROGRAMME UPDATE

During discussion of the work programme the following points were noted:

- The report on the review of Governance arrangements and changes to the Constitution would most likely come before the Committee at a special meeting in November, prior to presentation to full Council in December.
- Councillors expressed an interest in receiving an overview on the sources and scale of funding for the authority.
- Councillor Bolderson had been working on a skills matrix for the Committee which would involve elements of self-assessment.

The Committee **RESOLVED** that the work programme be agreed.

#### **ACTIONS:**

- 1. The s151 to write a briefing note for the Committee on sources of funding for the Council over the preceding few years.
- 2. The Chief Executive be invited to the next meeting of the Committee to discuss the risks that the Council is carrying.

3. Councillor Watson to circulate to the Committee the Rural Services Network paper on sources of funding for rural authorities.

### 35 DATE OF NEXT MEETING

### Title of report: Progress report on internal audit activity

Meeting: Audit and governance committee

Meeting date: Wednesday 27 October 2021

Report by: Chief finance officer / head of internal audit

### Classification

Open

### **Decision type**

Non-key

### Wards affected

(All Wards);

### **Purpose**

To update members on the progress of internal audit work and to bring to their attention any key internal control issues arising from work recently completed. To enable the committee to monitor performance of the internal audit team against the approved plan.

To assure the committee that action is being taken on risk related issues identified by internal audit. This is monitored by acceptance by management of audit recommendations and progress updates in implementing the agreed action plans. In addition, audit recommendations not accepted by management are reviewed and progress to an appropriate recommendation to cabinet if it is considered that the course of action proposed by management presents a risk in terms of the effectiveness of or compliance with the council's control environment.

### Recommendation(s)

#### That:

- (a) performance against the approved plan be reviewed and any areas for improvement identified;
- (b) consider the assurances provided and the recommendations which the report makes, commenting on its content as necessary;
- (c) the proposed 3rd quarter internal audit plan 2021-22 on page 19 of appendix A be reviewed and the committee determine any recommendations it wishes to

make regarding the level and range of activity proposed in order that the work carried out may give a satisfactory level of assurance over the council's corporate governance arrangements; and

(d) To note the Corporate Fraud Update

### **Alternative options**

1. There are no alternative recommendations; it is a function of the committee to consider these matters in fulfilling its assurance role.

### **Key considerations**

- 2. The internal audit progress report is attached at appendix A. In the period covered by the report, four priority 2 recommendations have been made for audits completed in 2021-22.
- 3. The internal audit progress report provides an update to members on the impact to the plan of additional audits. Since the report to the Committee in June 2021 seven additional audits have been added to the 2021-22 quarter 2 plan.
- 4. A glossary of terms is also provided in the report.

### **Community impact**

5. The council's code of corporate governance commits the council to managing risks and performance through robust internal control and strong public financial management and to implementing good practices in transparency, reporting, and audit to deliver effective accountability. By ensuring robust management responses to identified risks, the council will be better able to meet its corporate plan priority to secure better services, quality of life and value for money.

### **Environmental Impact**

6. Herefordshire Council provides and purchases a wide range of services for the people of Herefordshire. Together with partner organisations in the private, public and voluntary sectors we share a strong commitment to improving our environmental sustainability, achieving carbon neutrality and to protect and enhance Herefordshire's outstanding natural environment.

7. Whilst this is a decision on back office functions and will have minimal environmental impacts, consideration has been made to minimise waste and resource use in line with the Council's Environmental Policy

### **Equality duty**

8. Under section 149 of the Equality Act 2010, the 'general duty' on public authorities is set out as follows:

A public authority must, in the exercise of its functions, have due regard to the need to –

- (a) eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act;
- (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
- (c) foster good relations between persons who share a relevant protected characteristic and persons who do not share it.
- 9. The public sector equality duty (specific duty) requires us to consider how we can positively contribute to the advancement of equality and good relations and demonstrate that we are paying 'due regard' in our decision making in the design of policies and in the delivery of services. As this is a progress report, we do not believe that it will have an impact on our equality duty.

### **Resource implications**

10. None arising from the recommendations; any additional recommendations made by the committee will be considered by the relevant manager or cabinet member and the financial implications of accepting those recommendations will be considered then.

### **Legal implications**

11. None.

### Risk management

12. There is a risk that the level of work required to give an opinion on the council's systems of internal control is not achieved. This is mitigated by the regular active management and monitoring of progress against the agreed internal audit plan.

13. Risks identified by internal audit are mitigated by actions proposed by management in response. Progress on implementation of agreed actions is reported to this committee every six months.

### Consultees

#### Our audit activity is split between:

### Role of Internal Audit

- Operational Audit
- School Themes
- Governance Audit
- Key Control Audit
- IT Audit
- Grants
- Other Reviews

The Internal Audit service for Herefordshire Council is provided by SWAP Internal Audit Services (SWAP). SWAP is a Local Authority controlled Company. SWAP has adopted and works to the Standards of the Chartered Institute of Internal Auditors, further guided by interpretation provided by the Public Sector Internal Audit Standards (PSIAS), and the CIPFA Local Government Application Note. The Partnership is also guided by the Internal Audit Charter approved by the Audit and Governance Committee at its meeting on 16 March 2021.

Internal Audit provides an independent and objective opinion on the Authority's control environment by evaluating its effectiveness. Primarily the work includes:

- Operational Audit Reviews
- Cross Cutting Governance Audits
- Annual Review of Key Financial System Controls
- IT Audits
- Grants
- Other Special or Unplanned Review

Update on 2020/21 audits not finalised at the time of the annual opinion report.

### Internal Audit Work Programme 2020/21

At the time the annual opinion for 2020/21 was presented in July 2021 there were two audits at draft report stage and five audits still in progress. Since then, four audits have been finalised:

- Capital Programme,
- Quality Development Framework,
- Building Maintenance and Cleaning Contract,
- Revenue Grant Determination Ring-Fenced COVID-19 Local Authority Compliance and Enforcement Grant For Lower Tier And Unitary Authorities Determination 2020: No 31/5216.

Update on 2020/21 audits not finalised at the time of the annual opinion report.

### Internal Audit Work Programme 2020/21

Two audits are at report stage waiting client agreement of actions (Education Health Care Plans – Preparation for Adulthood and Payroll) and one audit is in progress (Contract Management – BBLP).

A summary of these audits and any findings are outlined below.

Revenue Grant Determination Ring-Fenced COVID-19 Local Authority Compliance and Enforcement Grant for Lower Tier And Unitary Authorities Determination 2020: No 31/5216 - Reasonable – grant certification

No actions were agreed as part of the review.

#### The Quality Development Framework - Substantial assurance

There was one priority three agreed action. This action related to the need for consistent use of version control across procedure documentation.

### <u>Capital Programme – Reasonable Assurance</u>

There were two priority three agreed actions. These actions were agreed to ensure sufficient time is allowed before measuring the effectiveness of the new Project Management Process and to improve the controls in relation to the documentation in place to support the Project Management Process.

Update on 2020/21 audits not finalised at the time of the annual opinion report.

### Internal Audit Work Programme 2020/21

#### Building Maintenance and Cleaning Agreement – **Limited Assurance**

There were three priority two agreed actions and one priority three action. The agreed actions included:

- The need for the Service Level Agreement with Hoople Ltd to be updated to include the building maintenance and cleaning arrangements (priority 2).
- Specifications for the new contracts to replace arrangements extended under waivers require finalising promptly to reduce the risk of the Council incurring additional charges (priority 2).
- Improvements to budget monitoring processes (priority 2).
- Improvements to governance required with a strategic board being set up for the operations board to report to.

#### Payroll

Currently at draft report stage pending agreed actions from the Assistant Director for People.

### Education Health Care (EHC) Plans – Preparation for Adulthood.

Currently at draft report stage pending agreed actions from the Head of Additional Needs.

### Outturn to Date - 2021/22

### Internal Audit Work Programme 2021/22

The schedule provided at Appendix C contains a list of all audits agreed:

- for the guarter 1 2021/22 plan presented to this committee at its meeting on 16<sup>th</sup> March 2021.
- for the guarter 2 2021/22 plan presented to this committee at its meeting on 28<sup>th</sup> June 2021.

It is important that Members are aware of the status of all audits and that this information helps them place reliance on the work of Internal Audit and its ability to complete the plan as agreed.

Each completed assignment includes its respective "assurance opinion" rating together with the number and relative ranking of recommendations that have been raised with management. In such cases, the Committee can take assurance that improvement actions have been agreed with management to address these.

The assurance opinion ratings have been determined in accordance with the Internal Audit "Audit Framework Definitions" as detailed in Appendix B of this document.

To assist the Committee in its important monitoring and scrutiny role, in those cases where weaknesses have been identified in service/function reviews that are considered to represent significant service findings (priority 1 or 2), a summary of the key audit findings is given as part of this report. In circumstances where findings have been identified which are considered to represent significant corporate risks to the Council, due to their importance, these issues are separately summarised.

#### 2021/22 Progress

This is the progress report as of 4<sup>th</sup> October 2021. This is the second update for the 2021/22 audit plan. Seven audits have been completed and there are fourteen audits in progress. The audits completed since my last update have the following assurance:

Audit	Assurance
Car Park Signage Procurement	Briefing Paper
Property Flood Resilience Support Scheme (Bellwin/ Resilience Management) Quarterly Review – Quarter 2 (Yearly Report)	Reasonable – Grant Certification
Climate Change	Reasonable

### Outturn to Date - 2021/22

### Internal Audit Work Programme 2021/22

Audit	Assurance
Local Transport Capital Block Funding Grant Determination 2020/21:	Reasonable – Grant Certification
No.31/5036 and No.31/5072	
Local Authority Bus Subsidy (Revenue) Grant: Determination	Reasonable – Grant Certification
2020/21 (31/5013)

Supporting Families Qrt 2 - Quarterly review of claims	Reasonable – Grant Certification

## Summary of significant High corporate risks

### Significant Corporate Risks 2021/22

We provide a definition of the three Risk Levels for Corporate risk applied within audit reports. For those audits which have reached report stage through the year, I will report risks we have assessed as 'High'.

In this update there are no final reports included with 'High' corporate risks.

# **SWAP Performance - Summary of Limited Opinions**

### Summary of Limited Assurances and Significant Service Findings (Priority 1 and 2) 2021/22

These are actions that we have identified as being high priority and that we believe should be brought to the attention of the Audit and Governance Committee.

Of the seven audits completed this quarter, one was reasonable assurance (Climate Change), five were reasonable grant certification (Property Flood Resilience Support Scheme, Local Transport Capital Block Funding, Local Authority Bus Subsidy Grant and Supporting Families Q1 and Supporting Families Q2). The other audit was an additional piece of work (Car Park Signage Procurement) at the request of the Chief Finance Officer, the findings of this were summarised in a briefing paper. No priority 1 or 2 actions were agreed as part of these audits.

Follow Up audits are completed where the auditor could only provide limited assurance.

### Follow Up Audits

Follow Up audits are completed where the Auditor could only provide limited assurance. The follow-up audit is to provide assurance to the Director, Senior Management and the Audit and Governance Committee that the key risks have been mitigated to an acceptable level. Evidence is obtained to demonstrate implementation and progress made in relation to all 2020/21 priority 1 and 2 recommendations. For the priority 3 recommendations progress reported is based on self-assessment by relevant officers. Where a key control audit received Reasonable or Substantial assurance, the key control is included in the plan to follow up on all recommendations to provide assurance that action has been taken to address the recommendations. For key control follow up audit evidence is obtained to demonstrate implementation and progress for all recommendations.

No follow up audits have been completed this quarter.

#### **Added Value**

Extra feature(s) of an item of interest (product, service, person etc.) that go beyond the standard expectations and provide something more while adding little or nothing to its cost.

### Added Value

Primarily, Internal Audit is an assurance function and will remain as such. However, as we complete our audit reviews and through our governance audit programmes across SWAP, we seek to bring information and best practice to managers to help support their systems of risk management and control.

The SWAP definition of "added value" is "it refers to extra feature(s) of an item of interest (product, service, person etc.) that go beyond the standard expectations and provide something "more" while adding little or nothing to its cost".

The following cross comparison reports have been shared across the Partnership:

- Point of Practice Paypal
- Point of Practice Direct Payments
- Approved Mental Health Professionals Terms and Conditions
- Points of Practice Declaration of Interests
- Schools Forum Governance

# SWAP Performance - Summary of Audit Opinions

At the conclusion of audit assignment work each review is awarded a "Control Assurance Definition";

- Substantial
- Reasonable
- Limited
- No

We also undertake Advisory / Non-Opinion work on a consultancy basis where we have been asked to look at a specific area of potential concern.

Where we follow up on a previous adverse audit opinion the opinion is stated as follow up.

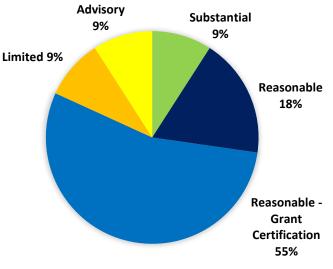

### Summary of Audit Opinion 2021/22 including 2020/21 audits finalised in 2021/22

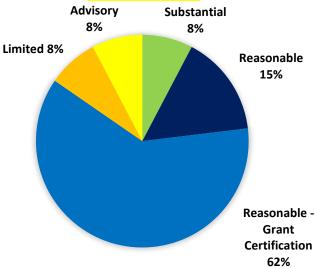

A total of eleven audits have been finalised since our previous update (June 2021). The opinions offered are summarised below in Chart 1.

Chart 2 shows a summary of the opinions offered for 2021/22 to date (including those audits from 2020/21 that have been finalised in 2021/22).

# Summary of Agreed Actions by priority per update

We keep our audit plans under regular review to ensure that we are auditing the right things at the right time.

### Approved Changes to the Audit Plan

Unplanned work, special reviews or projects carried out on a responsive basis are requested through the Chief Finance Officer (Section 151 Officer). As new and emerging risks are identified, any changes to the plan will be subject to the agreement of the Chief Finance Officer (Section 151 Officer) and reported to this Committee.

Since the Q2 Audit plan was presented and approved to the Committee on 28th June 2021 there have been requests for the following audits or Grant Determinations:

- Additional Home to School Transport Summer Term (2nd half until 25 June 2021) 31/5568,
- Additional Home to School Transport Summer Term (28th June till end of Summer Term) 31/5678,
- Green Homes Grant: Local Authority Delivery Grant Determination 31/5187
- Hereford City Centre Transport Package Special Investigation
- Pool Cars
- Local Authority Test and Trace Support Payment Scheme Funding Grant Determination 2020/21: No 31/5435
   Q1 (March and April)
- Local Authority Test and Trace Support Payment Scheme Funding Grant Determination 2020/21: No 31/5668
   Q1 (May, June)

To accommodate the additional audits, we have deferred a number of audits to Q3 and Q4, these audits are as follows:

- Oral Health Needs Assessment Plan
- Schools Thematic Review
- Councillors Allowance Overspend
- Significant Partnerships
- Employee Expenses
- Infection Control Testing

One audit has been requested to be deferred to Q4 of 2021/22 possibly quarter 1 of 2022/23 to fit in with other work within the directorate:

Quality Assurance including Supervision Practices – Childrens Service

#### Conclusion

#### Conclusion

Since my last update seven audits have been completed for the 2021/22 audit plan bringing the total audits completed to nine. There are fourteen audits in progress for 2021/22.

There are noted delays on the four Additional Dedicated Home to School and College Transport Grant reviews due to a query with the client on the first grant, which currently prevents completion of the first grant and subsequent grants.

The sampling for the Local Authority Test and Trace Service Support Grant Determinations has been completed (months January to July) however we need to complete the HMRC element of testing to be able to report as complete.

For the seven audits completed in 2021/22 one audit returned a reasonable assurance, five were reasonable – grant certification and one was an advisory piece of work for the Chief Finance Officer. There were no significant findings identified.

Work to the 2021/22 plan has been impacted by the completion of the outstanding work from 2020/21. At the time the annual opinion for 2020/21 was presented in July 2021 there were seven audits to complete. Since then, four audits have been finalised, (Capital Programme, Quality Development Framework, Building Maintenance and Cleaning Contract and Revenue Grant Determination Ring-Fenced COVID-19 Local Authority Compliance and Enforcement Grant For Lower Tier And Unitary Authorities Determination 2020: No 31/5216, two audits are at report stage with actions waiting to be agreed by the client ( Education Health Care Plans – Preparation for Adulthood and Payroll) and one audit is in progress (Contract Management – BBLP). Significant findings were identified in the Building Maintenance and Cleaning Arrangements Audit and actions with target dates have been agreed as outlined in the report above.

At the close of each audit review a Customer Satisfaction Questionnaire is sent out to the Service Manager or nominated officer. The aim of the questionnaires is to gauge satisfaction against timeliness, quality and professionalism. A score of 95% would reflect the fact that the client agreed that the review was delivered to a good standard of quality i.e., agreed with the statement in the questionnaire and satisfied with the audit process and report. For 2020/21 the feedback score is 100%.

### **Internal Audit Framework Definitions**

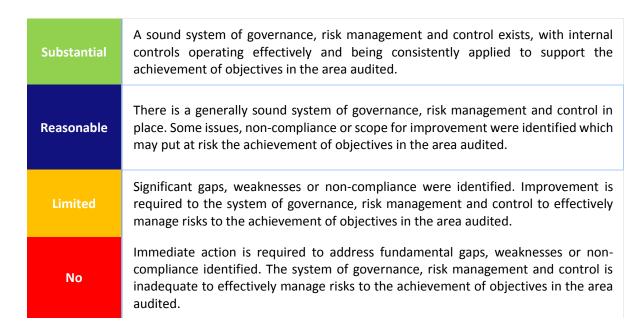

At the conclusion of audit assignment work each review is awarded a "Control Assurance Definition";

- Substantial
- Reasonable
- Limited
- No
- Advisory

#### **Audit Framework Definitions**

#### **Control Assurance Definitions**

**Advisory Report** – In addition, to our opinion-based work we will provide consultancy services. The advice offered by Internal Audit in its consultancy role may include risk analysis and evaluation, developing potential solutions to problems and providing controls assurance. Consultancy services from Internal Audit offer management the added benefit of being delivered by people with a good understanding of the overall risk, control and governance concerns and priorities of the organisation.

# **Internal Audit Framework Definitions**

Recommendations are prioritised from 1 to 3 on how important they are to the service/area audited. These are not necessarily how important they are to the organisation at a corporate level.

#### **Audit Framework Definitions**

Risk	Reporting Implications						
	In addition to the corporate risk assessment, it is important that management know how important the recommendation is to their service. There should be a clear distinction between how we evaluate the risks identified for the service but scored at a corporate level and the priority assigned to the recommendation. Each recommendation has been given a priority rating at service level with the following definitions:						
Priority 1	Findings that are fundamental to the integrity of the service's business processes and require the immediate attention of management.						
Priority 2	Important findings that need to be resolved by management.						
Priority 3	Finding that requires attention.						

Each audit covers key risks. For each audit a risk assessment is undertaken whereby with management risks for the review are assessed at the Corporate inherent level (the risk of exposure with no controls in place) and then once the audit is complete the Auditors assessment of the risk exposure at corporate level after the control environment has been tested. All assessments are made against the risk appetite agreed by the SWAP Management Board.

#### **Definitions of Risk**

	Risk	Reporting Implications						
		Reporting Implications						
j	High	Issues that we consider need to be brought to the attention of both senior management and the Audit Committee.						
	Medium	Issues which should be addressed by management in their areas of responsibility.						
	Low	Issues of a minor nature or best practice where some improvement can be made.

#### **SWAP Fraud Alerts**

Social engineering attempts to obtain debt information. It is not known what the next steps of the scam would have been, however we are convinced that once debt balance information is revealed, the fraudster would create a fake invoice from the supplier, which would be sent to the Council for payment. The accuracy of outstanding debt amount would increase the likelihood of successful fraud in this area.

Successful Children's Social Care direct payment fraud. Several cards debited with the exact same transaction at the exact same time. Fraudster does not:

- \* have access to the card holders' personal details, it is the card number itself that is compromised
- \* know that the BIN range belongs to a specific programme, or a specific council or organisation.

# Audit and Governance - Committee Effectiveness and Performance, skills matrix

Meeting: Audit and governance committee

Meeting date: Wednesday 27 October 2021

Report by: Democratic services manager

#### Classification

Open

# **Decision type**

This is not an executive decision

#### Wards affected

(All Wards);

#### **Purpose**

To consider and agree the audit and governance skills matrix and to seek the agreement of all A+G committee members to participate in the skills matrix audit.

#### Recommendation(s)

#### That:

- a) The committee comments on and agrees the Audit and Governance Skills Matrix as set out in Appendix A; and
- b) The committee agrees to participate in a committee skills matrix to assist them in their development and to assist the committee in identifying any new training requirements or additional specialist skills required to be co-opted to deal with specific subject matter over a specific time-period

# **Alternative options**

1. To not undertake a skills matrix audit of the committee. This not recommended as it is widely recognised as good practice that audit committees should identify, and agree the skills required for committee effectiveness. This would also limit the ability of the committee to identify and address skills gaps which could looked to be filled through co-option.

# **Key considerations**

- 2. All, local authorities in the UK are required to keep their accounts in accordance with 'proper (accounting) practices'. Public sector organisations responsible for locally delivered services are required by legislation to comply with the terms of the Code of Practice on Local Authority Accounting in the United Kingdom (the Code) developed by the Chartered Institute of Public Finance and Accountancy (CIPFA).
- 3. The Code specifies the principles and practices of accounting required to prepare financial statements which give a true and fair view of the financial position and transactions of a local authority. The Code applies to local government organisations across the UK including local authorities, police bodies, fire services and other local public service bodies.
- 4. At Herefordshire Council, the audit and governance committee provide this function. It is comprised 7 non-executive councillors who provide independent assurance on the adequacy of the risk management framework together with the internal control of the financial reporting and annual governance processes. The committee does this by
  - (a) ensuring the effective and fully compliant governance of the council and in particular to ensure that all aspects of the financial affairs of the council are properly and efficiently conducted;
  - (b) reviewing and approve the council's annual governance statement, annual statements of account, the contract procedure rules and financial procedure rules;
  - (c) scrutinise the effectiveness of, and management compliance with, the systems identified in the annual governance statement framework;
  - (d) monitoring the progress made by management in implementing improvements to elements of that framework identified by external or internal audit review; and.
  - (e) reviewing the constitution and recommending any necessary amendments to Council as appropriate.
  - (f) reviewing the corporate risk register
- 5. The HM Treasury Audit committee handbook advocates that audit committees should identify, and agree the skills required for committee effectiveness. The required skills set should be periodically reviewed so that the skills and knowledge of the members should be able to develop and focus on the key issues facing the organisation. Further, that Audit and Risk Committees should be empowered to both:
  - I. co-opt members for a period of time to provide specialist skills, knowledge and experience which the Committee needs at a particular time; and
  - II. procure specialist advice at the expense of the organisation on an ad-hoc basis to support them in relation to particular pieces of committee business
- 6. In June, 2020 an audit and governance working was set up to review the core functions of the Committee, the membership and effectiveness of the committee and to review the work

- programme. However, one of the areas not formally addressed by the working group was in relation to assessing the committee's core knowledge and skills and evaluating and reporting on performance and whether the AGC is adding value to Herefordshire Council.
- 7. The working group produced an Audit & Governance Committee Self-Assessment on Performance & Effectiveness report which recommended that an effectiveness review including a review of committee member skills and training requirements is undertaken annually. And, that this should include undertaking skills analysis of committee members to determine training requirements and potential need for an independent person.
- 8. The skills analysis in the form of a matrix should address both core areas and specialist areas that may be beneficial to the effective operation of the committee. In line with the HM Treasury and CiPFA guidelines, audit committee members should be willing to review their knowledge and skills, for example, as part of a self-assessment process or training needs analysis.
- A proposed skills matrix (as set out in Appendix A) should seek to build on some common elements that are endorsed by CiPFA. In summary it should seek to gather evidence on committee members':
  - Core knowledge to focus on organisational knowledge, the functions of the committee (audit, risk and governance), external audit, fraud, treasury management and values of good governance
  - II. **Specialist knowledge** accountancy, ICT systems and applications, risk, legal frameworks and programme/project management. And,
  - III. **Core skills** strategic think, questioning skills, meeting management, objectivity and areas for raining and development.

# **Community impact**

- 10. The council's code of corporate governance commits the council to implementing good practices in transparency, reporting, and audit to deliver effective accountability. By carrying out a review of audit and governance committee skills and knowledge, the committee can provide assurance that they are carrying out their functions in line with good practice. They can also identify any training and development needs and any specialists skills that may be required from any independent experts.
- 11. The Corporate Delivery Plan, 2020 to 2022 notes that 'increased involvement in the democratic process is important to us. To realise this, we shall complete the promised governance review for the council so as to increase the opportunity for the involvement of all elected representatives in decision-making.

# **Environmental Impact**

12. This report is based on gathering skills and knowledge of the audit and governance committee membership via a skills matrix. As such there are minimal environmental impacts.

#### **Equality duty**

- 13. Under section 149 of the Equality Act 2010, the 'general duty' on public authorities is set out as follows A public authority must, in the exercise of its functions, have due regard to the need to
  - a. eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act;
  - b. advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
  - c. foster good relations between persons who share a relevant protected characteristic and persons who do not share it.
- 14. The public sector equality duty (specific duty) requires us to consider how we can positively contribute to the advancement of equality and good relations, and demonstrate that we are paying 'due regard' in our decision making in the design of policies and in the delivery of services. As this is a decision on back office functions, we do not believe that it will have an impact on our equality duty

# **Resource implications**

15. There are no resource implications as result of this report as it is a review of the core skills and knowledge of committee membership.

#### Legal implications

16. There are no legal implications as result of this report as it is a proposal to assess audit committee members core and specialist skills and knowledge which is in keeping with Chartered Institute of Public Finance and Accounting (CIPFA) published guidance.

#### Risk management

17. There are no identified risks in seeking agreement to, and carrying out, an effectiveness and performance skills assessment. It is recommended practice that committee membership knowledge and experiences are routinely assessed to ensure that there is appropriate skillsets available to the committee in undertaking their work.

#### Consultees

18. Consultation has been conducted with the re-thinking governance working group and through the audit and governance working group.

# Title of report: Work programme update

Meeting: Audit and governance committee

Meeting date: Wednesday 27 October 2021

Report by: Democratic services manager

## Classification

Open

# **Decision type**

This is not an executive decision.

# Wards affected

Countywide

# **Purpose**

To provide an update on the committee's work programme.

# Recommendation(s)

#### THAT:

Subject to any updates made by the committee, the work programme for the audit and governance committee be agreed.

# Alternative options

There are no alternative options as regards whether or not to have a work programme as the committee will require such a programme in order to set out its objectives for the coming year.

#### Reasons for recommendations

- The work programme is recommended as the committee is required to define and make known its work for the coming year. This will ensure that matters pertaining to audit and governance are tracked and progressed in order to provide sound governance for the council.
- The committee is asked to consider any further adjustments.

# **Key considerations**

The routine business of the committee has been reflected as far as is known, including the regular reporting from both internal and external auditors.

# **Community impact**

A clear and transparent work programme provides a visible demonstration of how the committee is fulfilling its role as set out in the council's constitution.

# **Environmental impact**

Whilst this is an update on the work programme and will have minimal environmental impacts, consideration has been made to minimise waste and resource use in line with the council's Environmental Policy.

# **Equality duty**

7 This report does not impact on this area.

# **Resource implications**

8 There are no financial implications.

# **Legal implications**

9 The work programme reflects any statutory or constitutional requirements.

# Risk management

The programme can be adjusted in year to respond as necessary to risks as they are identified; the committee also provides assurances that risk management processes are robust and effective.

#### **Consultees**

11 The chief finance officer, monitoring officer, chairperson and vice-chairperson have contributed to the work programme.
