Recommendation(s)

That:

The sub committee determine the application with a view to promoting the licensing objectives in the overall interests of the local community. They should give appropriate weight to:

a) The steps that are appropriate to promote the licensing objectives,
b) The representations (including supporting information) presented by all parties,
c) The guidance issued to local authorities under Section 182 of the Licensing Act 2003, and
Reasons for Recommendations

Ensures compliance with the Licensing Act 2003.

Alternative options

1. There are a number of options open to the sub-committee:
   a) Grant the licence subject to conditions that are consistent with the operating schedule accompanying the application and the mandatory conditions set out in the Licensing Act 2003,
   b) Grant the licence subject to modified conditions to that of the operating schedule where the sub-committee considers it appropriate for the promotion of the licensing objectives and add mandatory conditions set out in the Licensing Act 2003,
   c) To exclude from the scope of the licence any of the licensable activities to which the application relates
   d) To refuse to specify a person in the licence as the premise supervisor, or
   e) To refuse the application

Key considerations

Licence Application

2. The application for the grant of a premises licence has received relevant representation and is therefore brought before the sub-committee for determination.

3. Herefordshire Council Statement of Licensing Policy 2020 to 2025 states “All representation must be ‘relevant’, for example they must be about the likely effect of the grant of the application”. This followed paragraph 8.57 in the s182 Guidance which uses the same wording

Summary of Application

5. The application (appendix 1) requests the grant of a premises licence to allow the following licensable activities, during the hours shown, as follows:

   Late Night Refreshment (Indoors) 23:00hrs x 01:00hrs - Valentine's Day, Christmas Eve, New Year's Eve, Bank Holidays and Sundays preceding Bank Holidays.

   Sale/Supply of Alcohol (consumption on and off the premises)
   Monday – Sunday 09:00 – 22:00

   Until 01:00 on - Valentine's Day, Christmas Eve, New Year's Eve, Bank Holidays and Sundays preceding Bank Holidays

   Under the Live Music Act 2012 (as amended), an alcohol licenced premises can have live and/or recorded music from 08:00 – 23:00 for up to 500 people, without the need for these activities to be on a premises licence.

   A set of conditions to promote the licensing objectives have been proposed by the applicant and will form as part of the licence if granted (Appendix 2).

Summary of Representations

6. No representations were received from any of the responsible authorities.

7. One (1) relevant representation has been received from a member of the public that the licensing authority have accepted as being relevant. (Appendix 3).

8. In response to the public representation, the applicant and applicant’s agent are willing to negotiate the licensable activity timings. The proposal can be found at Appendix 4.

Community impact

9. Any decision may have an impact on the local community.

Environmental Impact

10. This report is in relation to a premises license under the Licensing Act 2003 and as such there are minimal environmental impacts for the council, as licensing authority.

Equality duty

11. Under section 149 of the Equality Act 2010, the ‘general duty’ on public authorities is set out as follows:

   A public authority must, in the exercise of its functions, have due regard to the need to –
a) eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act;

b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;

c) foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

12. There are no equality issues in relation to the content of this report.

13. This report has human rights implications for both the premises licence holder and the residents from the local neighbourhood. Any of the steps outlined in section 1 of this report may have financial implications for a licensee’s business and livelihood and/or may have impact upon the day to day lives of residents living in close proximity to the premises.

14. Article 8(i) of the European Convention of Human Rights provides that everyone has the right to respect for his/her private and family life and his/her home (which includes business premises). This right may be interfered with by the council on a number of grounds including the protection of rights and freedoms of others. The First Protocol – Article 1 – also provides that every person is entitled to the peaceful enjoyment of his possessions and shall not be deprived of his possessions except in the public interest and conditions provided for by law. Members must accordingly make a decision which is proportionate to the hearing and endeavour to find a balance between the rights of the applicant, residents and the community as a whole.

**Resource implications**

15. This report is in relation to a premises license under the Licensing Act 2003 and as such there are minimal resource implications for the council, as licensing authority.

**Financial implications**

16. There are unlikely to be any financial implications for the council, as licensing authority at this time.

**Legal implications**

17. As relevant representations have been received, the sub committee must determine the application under Section 3.5.7 (c) of the Herefordshire Council constitution. The representations must relate to the licensing objectives and the sub committee must determine the likely effect of the grant of the premises licences on the promotion of the licensing objectives.

18. The licensing authority must have regard to the promotion of the four licensing objectives namely; the prevention of crime and disorder; public safety; the prevention of public nuisance; and the protection of children from harm in exercising its functions under the Licensing Act 2003. Further regard should be had to the statutory guidance under Section 182 of the Act and the Council’s own statement of licensing policy. The options available to the licensing authority are set out in section 1 of this report.
19. The sub committee should be aware of a number of stated cases which have appeared before the Administrative Court and are binding on the Licensing Authority.

20. The case of Daniel Thwaites Plc v Wirral Borough Magistrates’ Court (Case No: CO/5533/2006) at the High Court of Justice Queen's Bench Division Administrative Court on 6 May 2008, [2008] EWHC 838 (Admin), 2008 WL 1968943, Before the Honourable Mrs Justice Black. In this case it was summed up that: -

21. A licensing authority must have regard to guidance issued by the Secretary of State under section 182. Licensing authorities may depart from it if they have reason to do so but will need to give full reasons for their actions.

22. Furthermore the Thwaites case established that only conditions should be attached to a licence with a view to promoting the Licensing objectives and that ‘real evidence’ must be presented to support the reason for imposing these conditions.

23. This judgement is further supported in the case of The Queen on the Application of Bristol Council v Bristol Magistrates’ Court, CO/6920/2008 High Court of Justice Queen's Bench Division The Administrative Court, 24 February 2009, [2009] EWHC 625 (Admin) 2009 WL 648859 in which it was said:

24. ‘Licensing authorities should only impose conditions which are necessary and proportionate for the promotion for licensing objectives’.

25. In addition to this it was stated that any condition attached to the licence should be an enforceable condition.

Right of Appeal

26. Schedule 5 of the Licensing Act 2003 gives a right of appeal which states: Decision to grant premises licence or impose conditions etc.

   (1) This paragraph applies where a licensing authority grants a premises licence under section 18.

   (2) The holder of the licence may appeal against any decision—
       (a) to impose conditions on the licence under subsection (2)(a) or (3)(b) of that section, or
       (b) to take any step mentioned in subsection (4)(b) or (c) of that section (exclusion of licensable activity or refusal to specify person as premises supervisor).

   (3) Where a person who made relevant representations in relation to the application desires to contend—
       (a) that the licence ought not to have been granted, or
       (b) that, on granting the licence, the licensing authority ought to have imposed different or additional conditions, or to have taken a step mentioned in subsection (4)(b) or (c) of that section, he may appeal against the decision.

   (4) In sub-paragraph (3) “relevant representations” has the meaning given in section 18(6).

27. Appeals should be made to the Magistrates Court and must be made within 21 days beginning with the day on which the appellant was notified by the licensing authority of the decision appealed against.
Risk management

28. There is little risk associated with the decision at this time as the legislation allows a right of appeal to the Magistrates Court within a period of 21 days of being notified of the decision in writing.

Consultees

29. All responsible authorities and members of the public living within Herefordshire.

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

JJ and Little Dots is a pre-existing and successful family-friendly cafe and bakery that is now currently open 7 days per week, selling freshly baked breads, pastries and cakes. They would like to offer alcohol with their menu going forwards. We have read the Herefordshire Council Statement of Licensing Policy, and have applied a raft of conditions that are appropriate for such a modest food-led application.

b) The prevention of crime and disorder

1. CCTV will be provided in the form of a recordable system, capable of providing pictures of EVIDENTIAL QUALITY in all lighting conditions particularly regarding facial recognition. Cameras shall encompass all ingress and egress to the premises, fire exits, outside areas, and all areas where the sale/supply of alcohol occurs. Equipment must be maintained in good working order, be correctly time and date stamped, recordings MUST be kept in date order, numbered sequentially and kept for a period of 31 days. The Premises Licence Holder must ensure at all times a DPS or appointed member of staff is capable and competent at downloading CCTV footage in recordable media format, and able to produce it to a Police Officer and/or an authorised Local Authority/Council Trading Standards Officer on demand and in a viewable format. The CCTV equipment shall be kept in a secure environment under the control of the DPS or other responsible named individual. An operational weekly log report must be maintained endorsed by signature, indicating the system has been checked and is compliant, in the event of any failings actions taken are to be recorded. In the event of technical failure of the CCTV equipment the Premises Licence holder/DPS must report the failure to the Police (on contact number ‘101’) and Council Licensing Department immediately.

2. An incident log must be kept at the premises. Incident log records will be retained for a period of 12 months from the date it occurred. It will be made immediately available on request to an ‘authorised person’ (as defined by Section 13 of the Licensing Act 2003), an authorised Trading Standards Officer or the Police, and must record the following:
   (a) all crimes reported to the premises (where relevant to the licensing objectives)
   (b) all ejections of patrons
   (c) any complaints received (where relevant to the licensing objectives)
   (d) any incidents of disorder
   (e) any refusal of the sale of alcohol
   (f) any visit by a relevant authority or emergency services, noting time, date & purpose and those officials by name.

c) Public safety

3. First aid:
A HSE Compliant Industrial High Response First Aid Kit shall be kept fully stocked at the premises and kept behind the bar. Such kit shall contain:
1 x Guidance Leaflet
6 x Eye Pads with Bandage
8 x Triangular Bandages
12 x Safety Pins
16 x Assorted Sterile Dressings
Continued from previous page...

| 20 Moist Wipes  
| 3 Pairs Disposable Gloves |

d) The prevention of public nuisance

4. Noise or vibration shall not emanate from the premises so as to cause a nuisance.

5. The Premises Licence Holder or DPS or the responsible person must immediately comply with any request to adjust noise levels/ frequency spectra made by an ‘authorised person’ (as defined by Section 13 of the Licensing Act 2003) or the Police.

e) The protection of children from harm

6. The premises shall operate a Challenge 25 Policy. Such policy shall be written down and kept at the premises. The policy shall be produced on demand of the Police or an ‘authorised person’ (as defined by Section 13 of the Licensing Act 2003) or an authorised Trading Standards Officer the Local Authority/Council. Prominent, clear and legible signage (in not less than 32 font bold) shall also be displayed at all entrances to the premises as well as at, at least one location behind any counter advertising the scheme operated.

7. A written register of Refusals will be kept including a description of the people who have been unable to provide required identification to prove their age. Such records shall be kept for a period of 12 months and will be collected by the Designated Premises Supervisor and produced to the police or an ‘authorised person’ (as defined by Section 13 of the Licensing Act 2003) or an authorised Trading Standards Officer the Local Authority/Council on demand.

8. All staff engaged in the sale of alcohol to be trained in responsible alcohol retailing to the minimum standard of BIIAB level 1 or any equivalent training course within 1 month of commencing employment at the premises. Where there are existing staff this training shall be completed within 3 months of the date that this condition first appears on the licence. No person shall be authorised to sell or supply alcohol until this training is completed. Refresher training will be conducted at 12 monthly intervals. Training records shall be kept on the premises and produced to the police or an ‘authorised person’ (as defined by Section 13 of the Licensing Act 2003) or an authorised Trading Standards Officer of the Council on demand.

Section 19 of 21

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK
Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their ‘share code’ to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A current Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A current passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A current Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, when produced in combination with an official document giving the person’s permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, when produced in combination with an official document giving the person’s permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland when produced in combination with an official document giving the person’s permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, when produced in combination with an official document giving the person’s permanent National Insurance number and their name issued by a Government agency or a previous employer.
A current passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.

A current Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relating to the carrying on of a licensable activity.

A current Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.

A current Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity when produced in combination with an official document giving the person’s permanent National Insurance number and their name issued by a Government agency or a previous employer.

A Certificate of Application, less than 6 months old, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.

Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:

- evidence of the applicant's own identity – such as a passport,
- evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
- evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
  (i) working e.g. employment contract, wage slips, letter from the employer,
  (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
  (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
  (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:

(i) any page containing the holder’s personal details including nationality;
(ii) any page containing the holder’s photograph;
(iii) any page containing the holder’s signature;
(iv) any page containing the date of expiry; and
(v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.
Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at https://www.gov.uk/prove-right-to-work) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

To who it may concern,

I wish to make a representation in respect to the application for a GRANT OF PREMISES LICENCE at ‘JJ and Little Dots’, 14 Bridge Street.

My objections rest primarily with ‘The Prevention of Public Nuisance’.

As you will see from the address, this establishment is [redacted] and will have a detrimental impact on our lives.

I have spoken to Alex Gledhill, who assures me that they will not be changing their current hours of business and therefore will not be causing any late-night disturbances. But I believe, once a licence has been issued, then they, if they wish, will be able to use it to the maximum time allowed and I will not have any say in the matter.

This application, (the last granted only 3 months ago to our neighbours at No 15) will undoubtedly give us cause to consider having to move away and shoulder the inevitable drop in the value of our property, caused by your decision making.

We bought this property 9 years ago and very much like living in the city.

This is very much a residential area, with some beautiful properties. These deserve to be protected from the inevitable disorder an alcohol licence will bring.

Yours faithfully,
Thanks for the update.
We have sent a message via Messenger to XXXXX asking for contact to discuss her concerns, but to date have received no reply so have come back to you.
The essence of our message was:

“We have received your representation, and although we don’t think would cause inevitable disorder, we are MORE than willing to compromise on the timings to give you the reassurances that you need.”

Going forwards: Our offer would to remove the Seasonal Variations element that allows the premises to operate until 01:00hrs on Christmas Eve, New Year’s Eve, Valentine’s Days, Bank Holidays and Sundays before Bank Holidays.

NB This facility is present on the neighbouring premises that we have obtained for our other clients in Bridge Street, so it is a significant concession. Additionally JJ and Little Dots is a business that has created a zero foot print amongst the Responsible Authorities to date and in our opinion is not a late night operation or a business model that would generate inevitable disorder in future.

So: If you would be kind enough to pass on our offer to XXX in order to facilitate a conversation between us, we would be very obliged.

Thank you so much in anticipation.

Kind Regards
