### 5. Representations

- 5.1 Pembridge Parish Council object to the application stating:

*'Pembridge Parish Council is sympathetic to the personal circumstances put forward by the applicant's agent in respect of this change of use application. However, this Council objects to the application on the following grounds:-*

- 1. The residential caravan is not for use by an agricultural worker, therefore no essential long term need has been proven, and there is no justification for over riding the established planning considerations set out in the Town and Country Planning (General Permitted Development) Order 1995 as far as this relates to the siting of residential caravans.*
- 2. The area indicated for the continued siting of the residential caravan is on open rural land that should be protected from such damaging development that would have a negative impact on the visual amenity of the locality. There is a need to safeguard the rural landscape.*
- 3. The application does not comply with either of the following emerging Unitary Development Plan Policies:-  
H7 Housing in the Countryside outside Settlements  
H8 Agricultural and Forestry Dwellings Associated with Rural Businesses  
The Council requests that under all the circumstances this application be refused.'*

- 5.2 One letter from the occupant of Nutfield Cottage, Bearwood, has been received to this application querying the correct postal address of the application site. The letter also states no objection to the proposal.

- 5.3 As part of the application the applicant has submitted a brief statement stating that the applicant and his family were living in rented accommodation within the locality and were given notice to relinquish the tenancy as the owner wished to sell the property. As they had no where to go they decided to move on the piece of land in Mr Layton's ownership. The statement emphasises that the family are neither travellers or gypsies.
- 5.4 Also submitted with the application are several letters and photocopied letters in support of the application signed by persons either living in the locality or connected to Mr Layton who is a self-employed rural labourer.
- 5.5 The full text of these letters can be inspected at Northern Planning Services, Blueschool House, Blueschool Street, Hereford and prior to the Sub-Committee meeting.

## 6. Officers Appraisal

- 6.1 This application is presented to Committee at the request of the local Member who has stated as the reason for it to be presented to Committee 'to determine the strength of business case'.
- 6.2 The key issue in relationship to this application is:-  
*'Is there sufficient essential need to house the applicant on site'*
- 6.3 National Planning Policy Statement 7: Sustainable Development in Rural Areas states in Annexe A: Agricultural, Forestry and other Occupational Dwellings that one of the few circumstances in which isolated residential development may be justified is when accommodation is required to enable agricultural, forestry and certain other full-time workers to live at, or in the immediate vicinity of their place of work and that essential work related need must be proven for such a need to live on site and must not be on the personal preferences or circumstances of any of the individuals involved.
- 6.4 Policy H11 – Residential Caravans in the Herefordshire Unitary Development Plan (Revised Deposit Draft) states:-  
*'Proposals for the use of caravans or mobile homes for permanent residential use will be subject to the same locational requirements as permanent residential development. Temporary planning permission for caravans or mobile homes may be permitted to meet special identified shorter term needs under Policy H8.'*
- 6.5 Policy H8 – Agricultural and Forestry Dwellings and dwellings associated with rural businesses emphasises that it must be demonstrated that a long-term genuine need exists for the dwelling as an essential part of a financially viable business. Policy A43: Agricultural or Forestry Dwellings in the Leominster District Local Plan also emphasises this requirement.
- 6.6 The applicant has not supplied as part of his application any information on the essential need to live on site. Other than to state that he and his family had to vacate their rented accommodation on 5<sup>th</sup> June 2006 as the owner wished to sell the property. As they had nowhere to go they decided to move into mobile homes on the site subject to this application that is in Mr Layton's ownership. The applicant as part of his application has emphasised that he has lived and worked in the area for over 42 years, working on surrounding farms and businesses and has two small children one of which attends Pembridge Junior School.

6.7 Whilst the personal circumstances of the applicant and his family are to be sympathised with, this does not justify development, which is contrary to Policies S1, H7, H11 and H8 of the Herefordshire Unitary Development Plan. Policies A1, A2(D), A43 and A58 of the Leominster District Local Plan and National Planning Policy Statement 7: Sustainable Development in Rural Areas.

**RECOMMENDATION**

**That planning permission be Refused for the following reason:-**

- 1 - The application proposes residential development in the open countryside for which no essential need has been proven. Therefore the application does not comply with Policies S1, H7, H11 and H8 of the Herefordshire Unitary Development Plan. Policies A1, A2(D), A43 and A58 of the Leominster District Local Plan and National Planning Policy Statement 7: Sustainable Development in Rural Areas.**
