Regulations/Conditions

3. Amongst the various Conditions and Regulation there are specific ones which related to finishing times for events.

Condition 4.1 of the Standard Conditions for Licensing of Premises for Public Entertainment

Premises licensed for public entertainment shall only be opened and used for any of the said purposes on such days and during such hours as the Licensing authority specifies in the schedule to the licence conditions.

The Regulations (standard conditions) of the Council specify the opening times of entertainment establishments as follows

11.00 until 2330 (Monday to Saturday)	In respect of premises that have the benefit of a liquor licence under the Licensing Act 1964
1100 until 2230 (Sundays)	For MUSICAL entertainment only in respect of all types of premises

Background

4. On the 8th April 2003 the Regulatory Committee heard an application from King Charles II to extend their opening hours to 0100 Monday to Sunday. A number of objections were made by local residents and businesses (see attached). After considering this application the Regulatory Committee granted an opening time of 1200 (midnight) for Friday and Saturdays.

The Application for Deviation from Policy

5. Andrew Gooding and Paul Neades of King Charles II, Broad Street, Ross on Wye request a variation of the licence conditions to extend the Annual licence opening entertainment hours from:-

Current closing hours	Requested closing hours
Thursdays 11pm	1am
Friday 12pm	1am
Saturdays 12pm	1am
Sundays 10:30pm	12:30am

Issues

6. The Police were consulted and had no objections to the variation of hours
7. The Fire brigade were consulted and stated:-

The occupier should be reminded that it is their responsibility to ensure that the means of escape, the emergency lighting, fire alarm and fire fighting equipment be maintained in good working order at all times and appropriate records kept.

As a guide it is considered that the maximum number of persons allowed in the premises should be 180.

There should be at least 3 stewards or attendants, who should be instructed as to their duties and available whilst members of the public are on the premises.

8. Environmental Health and Trading Standards were consulted and recommend a refusal of the application. The premises is in an area close to residential development and a later closing time may cause complaint. Recently the Regulatory Committee determined the extension to midnight on certain days and this seems appropriate. Even so this time should be monitored to establish the impact on the change of hour.

Options

- 9.
- to grant the extended hours
 - to grant the extended hours and impose conditions
 - to refuse the extended hours
 - or come to some other conclusion
