

RESPONSE TO SCRUTINY REVIEW OF COMMUNICATION IN THE LOCAL HEALTH SERVICE

Report By: Director of Adult and Community Services

Wards Affected

County-wide

Purpose

1. To consider the response to the findings of the scrutiny review of the Local Health Service's communications strategy and procedures.

Financial implications

2. No resource implications have been identified in relation to this item.

Background

3. On 5th September, 2006 this Committee approved the findings of the scrutiny review of Communication for recommendation to the Hereford Hospitals Trust and Herefordshire Primary Care Trust. It requested that the response of the Trusts should be reported back to it.
4. The responses of the two Trusts are appended.

RECOMMENDATION

That the response of the Primary Care Trust and the Hospitals Trust to the Review be noted, subject to any comments Members wish to make, and consideration given to the need for any further reports to be made.
