I
 Since the Committee last considered its programme the following items have been noted for consideration:

- **Residential Parking Scheme** - Councillor Hubbard has requested that the Committee look at the residential parking scheme. A number of deficiencies in the scheme have been brought to his attention.
- **Parking Charges in Hereford City** - Councillor Hubbard has highlighted that there is to be a review of parking charges in Hereford City the outcome of which may put further pressure on the system.

Items for consideration as the programme is further developed:

- Scrutinising progress with the Local Transport Plan (LTP2) and any associated issues.
- The effect on Herefordshire of changes to the Single Farm Payments system (e.g. hedge cutting, drainage ditch clearance)
- Implications arising from the 'Better Regulation Agenda' (concerning regulatory inspections and enforcement – within the context of this Committee).
- Any specific issues arising from Council Strategies or Plans.
- Contribute to policy development of LTP3.
- Consideration of revised/reviewed Flood Defence Policy.
- Safety on the A49 and A465 trunk roads – the Director will update the Committee as appropriate.
