

REVIEW OF POLLING DISTRICTS, POLLING PLACES AND POLLING STATIONS IN HEREFORDSHIRE 2007

RESPONSES RECEIVED TO PROPOSALS:

General Comments:

Convenience of walking to current polling station versus adverse environmental impact of driving to proposed polling station.

Electors more likely to be discouraged / refuse to use proposed polling station.

Unwillingness to use postal voting alternative, citing postal vote fraud in Birmingham and this year's difficulties with ballot paper printing.
