

## UPDATED INTERIM ASSURANCE REPORT 2007/08 NO 3

**Report By: Audit Services Manager**

### Wards affected

County-wide.

### Purpose

To provide the Audit and Corporate Governance Committee with a updated interim Assurance Report for 2007/08 that:

- a) provides an update on progress with the significant internal control issues identified in the Assurance Report for 2006/07; and
- b) identifies the significant internal control issues identified to date in 2007/08.

### Financial Implications

None.

### Recommendation

**THAT subject to any comments by the Committee, the report is noted.**

### Reasons

To comply with good practice as set out in the CIPFA Code of Practice for Internal Audit in Local Government in the United Kingdom.

To provide the Audit and Corporate Governance Committee with an update on the significant internal control issues.

### Considerations

#### 1. Associated Reports

The table below highlights the associated reports previously considered by the Audit and Corporate Governance Committee.

Date	Report
13th April, 2007	Audit Plan for 2007/08.
29th June, 2007	Statement on Internal Control 2006/07. Annual Assurance Report 2006/07.

21st September, 2007	Interim Assurance Report for 2007/08. Revised Statement on Internal Control 2006/07.
19th October, 2007	Updated Interim Assurance Report No 2 for 2007/08.
16th November, 2007	Revised Audit Plan for 2007/08.

### Key Issues Identified in 2006/07

2. The Audit and Corporate Governance Committee considered the Annual Assurance report for the year ending 31st March, 2007 on 29th June, 2007. The Audit and Corporate Governance Committee also reviewed and adopted a Statement on Internal Control for 2006/07 at that meeting, and considered a revised Statement on Internal Control for 2006/07 at the meeting on 21st September, 2007.
3. The significant internal control issues identified in the revised Statement on Internal Control for 2006/07 are set out below, along with comments on progress in *italics*:
  - a) The Commission for Social Care Inspection (CSCI) has judged to the Learning Disabilities Service as not serving people well.

*The Director of Adult & Community Services advises that CSCI has approved an action plan agreed by Cabinet in consultation with scrutiny. Robust project management arrangements are in place with progress regularly reviewed by the Director of Adult and Community Services via his management team. Formal progress reports to Cabinet and scrutiny are also planned. The Annual Review Meeting with CSCI has taken place. It is anticipated that the Council will retain its one star status.*

b) Three fundamental systems were given a **marginal** audit opinion in 2006/07 (a number of areas have been identified for improvement). These were:

- i) Education Transport;
- ii) Housing Benefit Payments; and
- iii) Salaries in Children's Services.

*As in previous years, work in relation to the 2007/08 audit of fundamental systems will include follow up work on recommendations made in previous years. Fundamental systems audit work is in progress. The Audit and Corporate Governance Committee will be informed of any significant internal control issues in routine reports from the Audit Services Manager.*

- c) One fundamental system was given an **unsatisfactory** audit opinion in 2006/07 (unacceptable risks identified, changes should be made). This relates to the financial management and procurement system in ICT.

*Audit Services has completed the follow-up work in relation to this audit. Some of the actions agreed in response to the audit recommendations have been actioned. However, nine recommendations had not been actioned, two of which were ranked as critical. One of the critical recommendations related to the reconciliation of the ICT financial management and procurement system to the corporate financial management system. This was not up to date at financial year-end. The Acting Head of Service took swift action in requesting support from Financial Services and they successfully reconciled the ICT financial management and procurement system to the corporate financial management system as at 31st March, 2007. The other critical recommendation related to the budget management. The Acting Head of ICT has worked closely with Financial Services to establish the expenditure for the year is within budget. Progress is being reported to Cabinet in the bi-monthly Integrated Performance Reports to Cabinet. Whilst expenditure this year is now expected to be in line with the budget save for the CNU project, work is continuing to ensure ICT budgets are sustainable in 2008/09 and beyond. The ICT finance team has transferred to the Resources Directorate.*

#### **Progress with the Audit Plan for 2007/08**

4. The Audit and Corporate Governance Committee approved the Audit Plan for 2007/08 on 13th April 2007 and agreed revisions to it on 16th November, 2007. The current status of work is set out in Appendix 1, with highlights set out below.

#### **Fundamental Systems**

5. Audit work within this area is in its early stages. The Audit and Corporate Governance Committee will be kept informed of progress. It should be noted that the Council's target is for all fundamental systems to have a satisfactory or good audit opinion.

#### **Non-Fundamental Systems**

6. Three reviews have been completed in this area and it is pleasing to note that one was given a good audit opinion with the remaining two given satisfactory opinions.

#### **Governance**

7. The work on delegations concentrates on directors' responsibilities. A draft report has been prepared.

#### **Performance management**

8. Five reports have been produced in relation to twelve performance indicators. Four of these reports have been finalised with one being given a satisfactory audit opinion and three a **marginal** audit opinion. The findings in relation to the three receiving a **marginal** opinion are as follows:

**Housing (BVPI 183a, 183b, 214 and Housing Strategy Statistical Appendix Return (HSSA))**

- a) The main issue was the lack of supporting data for the figures provided. This was a particular problem for the RSL/Housing Association figures supplied for the HSSA return.
- b) The review highlighted the need for the outturn for BVPI 183a and 214 to be changed. It should be noted that the most of the errors were found to be in quarter 4 when a staff change occurred.
- c) Although not all of the data was supported, Audit Services was encouraged by the new checking and monitoring systems that the new Performance Improvement Manager has now put in place to prevent the same errors being repeated for 2007/08.

**Pedestrian Crossings (BVPI 165)**

- d) Audit Service were unable to verify the BVPI figure as the errors found in the sample test meant a further retest of most installations would be necessary prior to a recalculation and verification of the BVPI outturn.
- e) There was a need for procedures for carrying out inspections and the use of measuring equipment to be written. The procedure should contain a work plan to allow for supervisory checks of the inspections to be carried out.

**Cleanliness Performance (BVPI 199)**

- f) Audit Services was able to verify the spreadsheet that formed the basis of the BVPI calculation and published BVPI figures. However there were a number of omissions and errors found within the source data. There needs to be a mechanism for the checking of survey forms and input into the spreadsheet.

**Establishment Audits**

9. Work to assess financial management arrangements within secondary schools in line with Department for Children, Schools and Families (DCSF) standards is coming to an end. At the present time, 11 out of 14 reports have been finalised. Three schools met the required standard. Six are on target to meet it. Follow-up work is planned and ongoing to ensure these six schools meet their targets for improvement. It is unlikely that two schools will meet the standard in the short term. Draft reports are with the remaining three secondary schools for comment and action planning. The lessons learned from carrying out the reviews in secondary schools will be used to improve the approach in primary schools.

**Verification and Probity**

10. The **unsatisfactory** opinion on the Drugs Forum was given on the basis that there was a need for some form of monitoring, feedback and assurance process to demonstrate that the forums were achieving satisfactory and desirable outcomes. Not all the recommendations made will apply to all the forums as some had better systems than others.

11. An **unsatisfactory** opinion was also given in relation to the review on how the Council manages the Drugs Forum Partnership. It is important to note that the Service Manager who had some concerns in this area requested this review. The key issues identified were the need for improvements in the commissioning system and improved monitoring arrangements. The Service Manager has agreed the action plan and Audit Services will be carrying out further follow up work.
12. The audit was undertaken at the request of the new Head of Service who had some concerns regarding the previous management of the Imprest account. The **marginal** opinion was given as there was a need for improvements in the administration of the Imprest account. Recommendations have been made and positive action has been taken by the new Head of Service.

### **Contracts**

13. The ICT Use of Contractors report has been given an **unsound** audit opinion, with areas of concern highlighted in the Director of Resources' Special Report. Audit Services is reviewing the actions already taken and those proposed by the Acting Head of ICT to Audit Services' recommendations.

### **Special Investigations**

14. The findings of the Special Investigation on Officer Expenses formed part of the Director of Resources' Special Report to the Audit and Corporate Governance Committee on 21st September, 2007.

### **Recommendations made**

15. Under current reporting protocols, the Audit Services Manager has to bring all critical recommendations to the attention of the Audit and Corporate Governance Committee. These are recommendations where non-compliance will be a high risk to the Council and where action is required urgently or within an agreed timescale. The following critical recommendations have been made:
  - a) The Director of Corporate and Customer Services should ensure that the Directorate follows the formal tender process as laid down in standing orders for contractors and procurement where the estimated contract is in excess of £50,000. In order to achieve this, a strict appraisal of all business cases must be undertaken.
  - b) The Director of Corporate and Customer Services should ensure that contracts that have an estimated value in excess of the European limit are subject to appropriate protocols. In order to achieve this, a strict appraisal of all business cases must be undertaken.
  - c) The Director of Corporate and Customer Services should ensure there is compliance with the Code of Practice for the Regulation of Contracts.
  - d) The Director of Corporate and Customer Services should implement a protocol to monitor the budget and actuals for major projects in line with Council Regulations and Policies.

16. The Director of Corporate and Customer Services has submitted a report to the Audit and Corporate Governance Committee outlining the current action being taken with regards to the critical 1 recommendations. The actions are reported elsewhere on the agenda.

#### **Areas of concern**

17. A special report by the Director of Resources was presented to the Committee on 21st September, 2007. The action plan has been adopted by Cabinet. The current position on the action plan is reported on a regular basis to the Audit and Corporate Governance Committee.

### **Risk Management**

There is the risk that the resources needed to carry out the work needed to give an opinion on the Council's Internal Control system is not available. The Audit and Corporate Governance Committee considered and adopted a revised Audit Plan on 16th November, 2007. The Audit Services Manager keeps progress against the Audit Plan under constant review reporting progress on a monthly basis to the Director of Resources.

#### **BACKGROUND PAPERS**

Code of Practice for Internal Audit 2006.
