To Whom It May Concern:

The Hereford Academy – Sponsors' Support

This letter, to be included within the Outline Business Case (OBC) for the Hereford Academy, is evidence that the individuals below, on behalf of the Hereford Diocesan Board of Education, support the delivery of Academy buildings, working with the Local Authority through Partnerships for Schools (PfS) National Framework of Contractors. We can confirm that we will follow established PfS procedures and utilise the standard suite of documents for procurement.

The Sponsor is satisfied that, through the ongoing work of the Design User Group and scrutiny by various parties during the procurement stages, appropriate designs and cost options will be produced.

Best Wishes

Janet Chapman
