When do I apply for a school place?

There is one date by which parents need to apply for places in the school year September 2009 August 2010. This one date is 16th January 2009.

Even if your child is **not** due to start school until January 2010 or April 2010 **YOU STILL NEED TO APPLY BEFORE 16th January 2009.** Late applications are always considered, but they have lower priority.

Can I apply to any school?

Yes, you can apply for any school maintained by Herefordshire Council. For the school year September 2009 to August 2010, you will have the opportunity to express two individual school preferences on a common application form. You may find it advisable to state the provided school as one of your preferences (please read chapter 4 and paragraph 6.2 of the Information for Parents Booklet).

Can I apply to a Primary School within another LA authority if I live in Herefordshire?

Yes, you can apply to another LA for a place at one of their schools. However you must apply on one of Herefordshire's application forms. We will then co-ordinate with that authority.

When can my child start school?

Children are generally **entitled** to start school at the beginning of the term in which they become 5 (all children with birthdays in April can start in January). *Contact schools for details, and **apply before 16th January 2009.***

Could my child start earlier?

It may be **possible** for your child to start school earlier if his/her 5th birthday is between 1st January and 31st August 2009. *You need to contact the school to find out if an earlier start is possible, and **apply on or before 16th January 2009.***

Would my child have to start school earlier?

NO. You could wait until **the term your child is 5,** without risking the place allocated to your child. Please talk to your preferred school, and **apply on or before 16th January 2009** so that the place can be reserved.

Do I have to send my child to school before he/she is 5?

NO. Parent's are not obliged to take up places for their children any earlier than the law requires (i.e. currently from the term following the 5th birthday). Schools cannot require children to start sooner than parents

wish, If you do wish to defer taking up a place for your child, you are strongly advised to discuss the matter first with the school or with the Pupil Admissions Office, and you must apply by the closing date (16th January 2009)

Therefore parent's have the option of deferring their child's entry until later in the same school year. The effect is that the place is held for that child and is not available to be offered to another child. The parent would not however be able to defer entry beyond the beginning of the term after the child's 5th birthday, nor beyond the academic year for which the original application was accepted. If parents wish to defer their child's admission to a later academic year, they will have to reapply during the appropriate admissions round.

How will my child get to school?

You will have to make your own travel arrangements for getting your 4 year old to school at least until the term of his/her 5th birthday. At that stage, there may be transport assistance for the catchment area school, if you live more than 2 or 3 miles away (see chapter 7 of Information for Parents Booklet).
