ST WEONARDS
SW2003/1227/O

Site for one dwelling at:

LOWER TOMLINS FIELD, ST WEONARDS, HEREORD, HR2 8QEFor: **Mr SD Methven per Mr Griffin ADAS, the Patch, Elton Newnham, Gloucester. GL14 1JN**

In accordance with the criteria for Public Speaking Mr Methven, the applicant, and his agent Mr Griffin, spoke in favour of the application.

Having discussed details of the application the Sub-Committee took the view that the applicant's local agricultural engineering business provided a vital service to the local community in an area where affordable housing was virtually non-existent. They felt that there were exceptional circumstances under which planning permission could be granted for a dwelling, which could be tied to the business of the applicant.

The Chief Development and Control Officer pointed out that the application was contrary to a number of key planning policy issues. He said that it would also be inappropriate for the Sub-Committee to favour planning permission being granted because the applicant did not have planning permission for his business or a certificate of lawful use. He strongly recommended that permission be refused in accordance with the recommendations of the Officers.

Having considered all the points made about the application the Sub-Committee took the view that given the exceptional circumstances involved and the unique service provided by the applicant, planning permission should be granted.

RESOLVED: That

1. The Southern Area Planning Sub-Committee is minded to approve the application because of the special circumstances of the applicant's local agricultural engineering business which serves the local community and which necessitates a dwelling to be located in the open countryside, subject to any conditions felt to be necessary by the Head of Planning Services provided that the Head of Planning Services does not refer the application to the Planning Committee.

2. If the Head of Planning Services does not refer the application to the Planning Committee, Officers named in the Scheme of Delegation to Officers be instructed to approve the application.

Note:

Under the Council's referral procedure, the Chief Development Control Officer decided to refer the application to the Head of Planning Services.
