

Herefordshire Council Comprehensive Equality Policy (CEP) Action Plan 2007-2010

Introduction

The Comprehensive Equality Policy (CEP) is the umbrella document that sets out the Council's commitment to achieving excellence and meeting its responsibilities to promote and implement equality when it is:

- Providing services
- Purchasing services
- Employing staff or
- Working in partnership with other organisations

The CEP provides the focus to ensure that the Council meets the criteria needed to reach Level 5 of the Equality Standard for Local Government by 2010.

This Action Plan is the document that sets out how we are going to achieve this. It is the action plan that brings all the strands of the diversity agenda together. It should be noted that the Race Equality Scheme (RES), the Gender Equality Scheme (GES) and the Disability Equality Scheme (DES) are sub-sections of the CEP and therefore their action plans sit as appendices to this Plan.

It should also be noted that both the RES and the DES are driven by single focus steering groups where performance and progress is monitored. These steering groups make reports to the Diversity Group, which has overall responsibility for progress on mainstreaming diversity issues through the Council, and achievement of the Equality Standard for Local Government.

This document sets out specific actions to achieve corporate objectives based on service need. It is a tool that will be used to monitor progress and report on levels of achievement. It will focus on ensuring that the Council has mechanisms, processes and procedures in place to achieve Level 5 of the Equality Standard.

The Equality Standard is split into four main areas, and this action plan has been designed to reflect this:

1. Leadership and Corporate Commitment
2. Consultation, Community Development and Scrutiny
3. Service Delivery and Customer Care
4. Employment and Training
