

PROVIDER SERVICES REVIEW

Report By: Ian Williams, Director of Integrated Commissioning

Wards Affected

County-wide

Purpose

1. To update the Committee on the latest progress with the Herefordshire Provider Services Review.

Background

2. The Provider Services Review was initiated to:
 - propose models of care for health and social care services in Herefordshire that would deliver excellent outcomes and user/patient experience;
 - refine the proposed models and identify the workforce activity and financial consequences, to guide investments and service development;
 - propose an organisational configuration that sustainably supports the delivery of the proposed models of care.

Current position

3. The first stage of the work, the development of initial proposals for models of care, has now been completed. This work was supported by the Health Services Management Centre (HSMC), Birmingham, and their report is attached as Appendix 1.

Next Steps

4. The proposed next steps in the Review are set out in Appendix 2. Regular updates will be brought to the Health Scrutiny Committee.

RECOMMENDATION

THAT the Committee notes the report and receives regular updates.
