LAND OFF THREE ELMS ROAD AND TO THE REAR OF BONINGTON DRIVE, HEREFORD

For: **HEREFORDSHIRE COUNCIL PER PROPERTY SERVICES, HEREFORDSHIRE COUNCIL, FRANKLIN HOUSE, 4 COMMERCIAL ROAD, HEREFORD, HR1 2BB**

The Director of Environment advised the Sub-Committee that this outline planning application was being considered as a matter of urgency given the identified need for a new high school and because of constraints with the project timetable resulting from delays in receiving advice from external consultees.

The Chief Development Control Officer advised that, as a 'departure' application involving development by the local planning authority, the application would need to be referred to the Secretary of State for the Office of the Deputy Prime Minister if the Sub-Committee was minded to approve the proposal. As a consequence of this, a revised recommendation was outlined. Referring to paragraph 4.10 of the report, the Chief Development Control Officer noted that further information had been provided to the Head of Engineering and Transportation. He reminded the Sub-Committee that, as the proposal had been submitted in outline form, all matters were reserved for future consideration.

Councillor Mrs. P.A. Andrews, a Local Member, noted the need for a replacement school but expressed disappointment that the Education Department had not kept Local Members informed about the proposal. Councillor Mrs. Andrews felt that the Education Department should have utilised the expertise of the Planning Department at the earliest possible opportunity and should have put pressure on external consultees to respond more speedily.

Councillor Mrs. Andrews urged the Education Department to arrange a number of public meetings prior to the submission of the reserved matters application to respond to the numerous concerns. She suggested that a site inspection should be held for Members in due course and that a site tour should be arranged for local residents.

Councillor Ms. A.M. Toon, a Local Member, noted that lack of communication had resulted in people misunderstanding elements of the proposal. Councillor Mrs. S.P.A. Daniels, the other Local Member,

said that she had been inundated with questions but had no information with which to respond. Both Members endorsed the approach suggested by Councillor Mrs. Andrews.

Councillor R.I. Matthews welcomed the proposal and commented on flood risk issues.

Councillor P.J. Edwards noted that this application site had been identified as a proposal in the Unitary Development Plan (Deposit Draft) and noted the opportunities for public inspection of the Plan. He felt that consultees had ample time to comment on the application.

Councillor Mrs. E.M. Bew noted that a public meeting on the proposal had been held in Whitecross and commented that progress had been hindered by difficulties with consultants.

Councillor Mrs. M.D. Lloyd-Hayes felt that there would be many benefits if more information about such proposals was made available on the internet.

RESOLVED:

That:

- i) the application is notified to the Secretary of State at the Government Office for the West Midlands;**
- ii) subject to the Secretary of State confirming that he does not intend to call it in Planning Permission be granted subject to any conditions considered necessary by officers.**
