

## PUBLIC QUESTIONS TO COUNCIL – 24 JULY 2009

### Question from Ms M Burns, Hereford

As the Cabinet Member has not answered the question:

What studies have Herefordshire Council undertaken into traffic movements (all modes) in and around Hereford since the Hereford Transport Review Multi-modal Study (pub. Feb 2003), and will the data from any of these studies be included in the report on transport for the Local Development Framework? If so, which ones?

(Answer from Councillor DB Wilcox Cabinet Member, Highways and Transportation: 'There has been extensive work and studies undertaken to update the 2003 study, and this work is nearing completion, under the working title of "Multi Modal Model". It is hoped that a final version will be published by the end of June 2009 so that it can inform the consultation exercise which the Council's Forward Planning is going to undertake on the emerging Core Strategy for the Council which is a key part of the Local Development Framework. The consultation is due to start later this year.')

Here is clarification:

- 1.1 Please give the titles, dates, authors, public availability of all studies into traffic movements (all modes) undertaken by the Council since the 2003 Hereford Transport Review. Please indicate which of the listed studies will be taken into consideration in the forthcoming report on transport.*
