1. Site Description and Proposal

- 1.1 The application site lies off Norman's Lane in Stoke Prior, approximately 250m south of the junction with the C1110 road which runs through the village. The site measuring approximately 40m x 45m is part of a larger field of around 1 hectare.
- 1.2 The proposal, which is in part retrospective, is to provide a traveller site, including one static style mobile home, two tourers and retention of the day/wash room, which has been erected on a lean-to against a previously approved agricultural building.
- 1.3 There is an existing access to the site of Norman's Lane and a fenced off parking area in the north west corner.
- 1.4. In the field adjoining the site the applicant keeps a number of chickens and horses, together with assorted pens and shelters. The whole field is bounded by mature hedgerows.

4. Consultation Summary

Internal Council Advice

5. Representations

- 5.1 Ford & Stoke Prior Parish Council - The Parish Council recommends that the planning application be refused on the grounds that the development would be outside the envelope for residential development. The Parish Council regards as most important that the existing envelope should not be breached by development, such a breach would create a precedent. In the event that permission none the less granted the Parish Council recommends the following conditions be imposed:-

- a. Concerning the change of use it is not from agricultural to residential or any other designation but remains for agricultural residents only.
- b. The Northern Area Planning Committee should be assured by enquiring that the specific conditions relating to travellers are being correctly applied in this application
- c. The Consent would apply only to the applicant and his immediate family, as described, for the duration of their residence after which point the permission will no longer apply.
- d. No other person or persons may reside at the site and no other mobile homes or caravans may be brought onto the site.
- e. Any such consent should be construed as being a temporary measure only.

- 5.2 A letter was also received dated 8th June via the Environmental Protection Manager asking questions about the definition of a gypsy/traveller. A response was sent 18th June

- 5.3 29 letters of objection have been received from 24 different addresses in Stoke Prior.

The objections are summarised below:-

1. The proposal is contrary to Policy H8, since this would not be a viable agricultural business and the applicant has previously managed to run it whilst living elsewhere.
2. There are currently vacancies at Council run gypsy/traveller sites.
3. Not convinced that the applicant is a gypsy/traveller.
4. Retrospective applications do not accord with the advice in Circular 1/06.
5. The proposal is contrary to Policy H11 - residential caravans.
6. The site lies outside the settlement boundary and would set a precedent encouraging others to move onto small parcels of land.
7. Traffic safety.
8. Amenity problems.
9. Out of keeping with the village

10. The site is visible from the Risbury Road currently and would be more so in winter. It is insufficiently screened.
 11. The development would fracture the village and give rise to problems of security and law and order.
- 5.4 9 letters of support have been received from 9 addresses in Stoke Prior.
 - 5.5 One letter refers to private bore hole water supply restructuring which make it unsuitable for domestic use. Limited to 30 cubic metres per annum or 18 gallons per day for livestock purposes.
 - 5.6 Another suggest a personal, time limit condition.
 - 5.7 In support of the application a statement has been submitted setting out the circumstances of the applicant, policy matters and other material considerations
 - 5.8 The full text of these letters can be inspected at Northern Planning Services, Garrick House, Widemarsh Street, Hereford and prior to the Sub-Committee meeting.

6. Officer's Appraisal

- 6.1 Circular 1/06 defines gypsies/travellers as follows:-

"Persons of nomadic habit of life whatever their race or origin, including such persons who on grounds only of their own or their family's or dependants' educational or health needs or old age have ceased to travel temporarily or permanently, but excluding members of an organised group of travelling show people or circus people travelling together as such."

- 6.2 Consideration of the applicant's statement above and a discussion with him on site leads officers to conclude that the applicant falls within the definition set out above. As a consequence the proposal falls to be considered against Policy H7 of the Unitary Development Plan.
- 6.3 In this case, references to Policies H8 and H11 can be discounted. The current shortfall of pitches within the County as assessed in the Housing Needs Assessment is currently around 83 pitches. This figure took account of any vacancies that there were at the time of preparation of that assessment. Consequently, any current vacancies on Council sites have little bearing on the overall need.
- 6.4 Reference is made by objectors to Circular 1/06 and the retrospective nature of the application. Paragraph 59 advises that gypsies and travellers consult with local planning authorities before buying land. The failure to do so, however, cannot be regarded as a reason to refuse the application. Whether retrospective or not the application should be determined on its merits.
- 6.5 The main intention of the Circular appears in paragraph 12 of that document, and in summary, is to significantly increase the number of pitches available in appropriate locations.
- 6.6 Whilst the site may be visible from a limited number of locations, generally it is well screened from immediate views within the village. Since the proposal amounts to the creation of a single pitch it is not considered that the nature of Norman's Lane presents any overriding traffic safety issues, nor any unreasonable amenity issues for neighbours.
- 6.7 The issue of the water supply is a private matter constrained by covenant.

6.8 In terms of visual amenity, highway safety and general amenity issues, the site is considered to be appropriate as a gypsy site for 1 pitch. On that basis there would be no sustainable justification for either a personal or time limited permission.

RECOMMENDATION

That planning permission be granted subject to the following conditions:-

- 1 - A01 (Time limit for commencement (full permission))**

Reason: Required to be imposed by Section 91 of the Town and Country Planning Act 1990.

- 2 - Non Standard (Non Standard Condition)**

The use of the site shall be limited to a single mobile home and up to two touring caravans to be occupied by a person or persons comprising a single family unit and being recognised as being of genuine gypsy or other traveller status, as defined by Circular 1/2006 - Planning for Gypsy and Traveller Caravan Sites. Evidence of such status shall be submitted to and approved in writing by the local planning authority prior to the occupation of the site by any persons other than the current applicant.

Reason: The nature of the development is such that it is only considered to be acceptable in this location as a Gypsy or Traveller Site in accordance with Policy H12 of the Herefordshire Unitary Development Plan.
