Quantification and Classification of Internal Control Levels

System and Establishment Audits

Opinion	Definition
Good	A few minor recommendations (if any). No material risk identified.
Satisfactory	Minimal risk; a few areas identified where changes would be beneficial.
Marginal	A number of areas have been identified for improvement.
Unsatisfactory	Unacceptable risks identified, changes should be made.
Unsound	Major risks identified; fundamental improvements are required.

The Audit Opinion is based on a number of factors including the number of Level 1 and, to a lesser extent, Level 2 recommendations. Weighting is given to different aspects of the Audit e.g. a higher weighting for budgetary control. It is expected that larger systems and establishments will receive higher numbers of recommendations and allowance is made for this.

Compliance Audits

Opinion	Definition
Full-Compliance	Areas reviewed met requirements
Minor Non-Compliance	Areas reviewed failed to meet requirements in some non-critical areas or opportunities for improvement were identified.
Major Non-Compliance	Areas reviewed failed to meet requirements in some critical areas

Many audits are tests of whether a standard or part of a standard has been met. Examples are GEM audits and ISO27001. Majority of compliance audits will find minor compliance.

DCSF FMSiS Standard - Toolkit Assessments

**HEREFORDSHIRE COUNCIL
AUDIT PLAN 2009-10**

Opinion	Definition
FMSiS Met	The Standard has been met
FMSiS Awaiting SIC	The Standard will be met when the Statement of Internal Control has been signed by the Head Teacher and Chair of Governors.
FMSiS Conditional	The Standard is expected to be met in the short term
FMSiS Not Met	The Standard is not expected to be met in the short term

Schools are expected to reach a standard of financial management (FMSiS - Financial Management in Schools). The assessment reaches a conclusion of meeting the standard or not. In addition, the DCFS allow a conditional pass that means a small number of issues need addressing before a pass is issued. This is the normal status before a full pass is confirmed.

“Awaiting SIC” - Some schools wait until the assessment is finished before signing the SIC. This is sensible and any schools in this status will be given a pass shortly.
