

OUR VISION

Herefordshire will be a place where people, organisations and businesses, working together within an outstanding natural environment, will bring about sustainable prosperity and well-being for all

The Council and NHS Herefordshire, working together to deliver efficient, excellent services and improved outcomes for the people of Herefordshire, will take action to tackle the following major challenges for the county:

- Low pay, low skills and the need for better infrastructure
- Avoidable ill-health and accidents
- Safeguarding vulnerable children and adults, including the increasing number of people aged over 85
- Improving access to affordable housing and key services, especially for those living in rural areas
- Doing all we can to combat climate change locally and deal with its impact
- Reducing inequalities by improving people’s life-chances
- At a time of severe constraints on public spending and people’s incomes, and growing demand for public services, ensuring excellence and value for money
