Community Impact

- 10 The granting of the licence as applied for may have an impact on the Community.

Legal Implications

- 11 The Committee should be aware of a number of stated cases which have appeared before the Administrative Court and are binding on the Licensing Authority.
- 12 The case of Daniel Thwaites Plc v Wirral Borough Magistrates' Court (Case No: CO/5533/2006) at the High Court of Justice Queen's Bench Division Administrative Court on 6 May 2008, [2008] EWHC 838 (Admin), 2008 WL 1968943, Before the Honourable Mrs Justice Black.
- 13 In this case it was summed up that: -
A licensing authority must have regard to guidance issued by the Secretary of State under section 182. Licensing authorities may depart from it if they have reason to do so but will need to give full reasons for their actions.
- 14 Furthermore the Thwaites case established that only conditions should be attached to a licence with a view to promoting the Licensing objectives and that 'real evidence' must be presented to support the reason for imposing these conditions.
- 15 This judgement is further supported in the case of The Queen on the Application of Bristol Council v Bristol Magistrates' Court, CO/6920/2008 High Court of Justice Queen's Bench Division The Administrative Court, 24 February 2009, [2009] EWHC 625 (Admin) 2009 WL 648859 in which it was said:

‘Licensing authorities should only impose conditions which are necessary and proportionate for the promotion for licensing objectives’.

- 16 It was further said in this case that the Licensing Authority have a duty:
‘to translate the proposals contained in the operating schedule to promote the licence objectives into clear and understandable conditions’.
- 17 It was also said that;
“For some premises, it is entirely possible that no measures will be needed to promote one or more of the licensing objectives, for example, because they are adequately dealt with by other existing legislation.”
- 18 The Committee are also reminded that they should only hear representations which address one of the four licensing objectives and that any representation can only be made by a person who lives or has a business interest within the vicinity of the premises.
- 19 It is possible for the Committee to hear from any person providing that they are representing a person who has made relevant representation and that the Licensing Authority have been notified prior to the hearing of that fact.
- 20 Failure to follow any of the above could leave the Licensing Authority open to a Judicial Review.
- 21 Schedule 5 gives a right of appeal to: -

- (a) rejects an application to vary the premises licence under section 18,

Contesting the validity of the Licensing policy that asks for certain requirements before the application has been submitted. In the summing up the Judge states; the scheme of the legislation is to leave it to applicants to determine what to include in their applications, subject to the requirements of Section 17 and the Regulations as to the prescribed form and the inclusion of a statement of specified matters in the operating schedule. An applicant, who makes the right judgement, so that the application gives rise to no relevant representations, is entitled to the grant of a licence without the imposition of conditions. The licensing authority has no power at all to lay down the contents of an application and has no power to assess an application, or exercise substantive discretionary powers in relation to it, unless there are relevant representations and the decision – making function under section 18 (3) is engaged.
