In their 2010/11 business plan, Integrated Commissioning will set out the impacts of demographic changes on budgets and make proposals to ensure carers continue to receive appropriate support.	Associate Director of Integrated Commissioning Mike Emery	Representations were made to the Health and Wellbeing partnership to protect the funding that originated in the Carers specific grant and was subsumed in Area Based Grant to no avail. Budgets were cut by 6% and close working with the Provider ensured that this was an efficiency savings and not affecting front-line services to carers. Additionally, the recent 'Vision for Adult Social Care' paper published by the DoH needs to be considered in the development of future Commissioning plans and strategies .However Carers support is a priority within the Maximising Independence work stream and the Health and Social Care Commissioning Strategy and will continue to be so going forward into 2011/12. The existing contract expires in 2011 therefore a competitive tendering process will take place to ensure service provision for carers.	Ongoing.
