Key Considerations

- 6 To consider what action should be taken, if any, to prevent further outbreaks of serious crime and disorder and to promote the four licensing objectives in accordance with the recommendation.

Guidance issued by the DCMS in respect of Expedited Reviews states at paragraph: -

3.5 If the licensing authority decides to take steps at the interim stage then:

The decision takes effect immediately, or as soon after then as the licensing authority directs; but

The licensing authority must give immediate notice of its decision and its reasons for doing so to the holder of the premises licence and the chief officer of police who make the application.

3.6 The licensing authority in deciding when its decision on interim steps should take effect should consider the practical implication of compliance in relation to the premises.

3.7 In addition, very careful consideration needs to be given to interim steps which would require significant cost or permanent or semi-permanent adjustments to a premises which would be difficult to remove if the outcome of the subsequent full review was to withdraw or modify those steps. The focus for interim steps should be on the immediate measures that are necessary to prevent serious crime or serious disorder occurring. In some circumstances, it might be better to seek suspension of the licence pending the full review, rather than imposing a range of costly conditions or permanent adjustments.

Community Impact

- 7 It is felt that if no action is taken this could have an adverse effect on the local community.

Legal Implications

- 8 The premise licence holder may make representations against the interim steps taken by the licensing authority. There is not a time limit for the premises licence holder to make representation on the interim steps, although this would be within the normal review period of 28 days. On receipt of representations and if they are not withdrawn, a hearing must be arranged within 48 hours of receipt.
