HEREFORDSHIRE COUNCIL LICENSING POLICY states;

18.3 Failed Test Purchases

Where a premises fails a test purchase then, other than in exceptional circumstances, the premises licence will be reviewed. During the course of any review the Licensing Authority will look at the cause of the failure. Where during the first review it is found that the training of staff at the premises is inadequate, the Licensing Authority may look at placing a condition on the licence in respect of staff training and will consider suspending the licence to allow sufficient time to enable staff to be trained. When a further test purchase is failed the Licensing Authority will consider revoking the licence in order to promote the licensing objective of the 'protection of children from harm'.

18.4 Other than in exceptional circumstances, in partnership with the Police and Trading Standards, persons who sell to under-age persons will normally be dealt with by means of a Fixed Penalty Notice unless that person is the holder of a personal licence.

18.5 Where that person holds a personal licence the Licensing Authority will normally look towards prosecuting that person through the Court for the offence. The court will be asked to consider either the suspension or revocation of the personal licence.

18.6 Premises Persistently Selling

In line with the existing legislation, the Licensing Authority or the Police will look at prosecuting those premises which persistently sell to under age persons. Persistently selling is defined by the legislation as 2 sales within a 3 month period.
