I James MOONEY for the West Mercia review of a premises licence under section 53A of the Licensing Act 2003.	[on behalf of] the chief officer of police police area apply for the
--	---

1. Premises details:

Postal address of premises, or if none or not known, ordnance survey map reference or description:

Lyde Court
Lyde Cross
Nr Hereford

Post town: Hereford

Post code (if known): HR1 3AE

2. Premises licence details:

Name of premises licence holder (if known): Karen Elizabeth WARING

Number of premises licence holder (if known): PR01573

3. Certificate under section 53A(1)(b) of the Licensing Act 2003 [Please read guidance note 1]:

I confirm that a certificate has been given by a senior member of the police force for the police area above that in his opinion the above premises are associated with serious crime or disorder or both, and the certificate accompanies this application.

(Please tick the box to confirm)

4. Details of association of the above premises with serious crime, serious disorder or both:

[Please read guidance note 2]

This premises is in a rural location, and has been licensed since April 2013. The venue is licensed to sell alcohol up to 0200 at weekends

At about 3.41am on Sunday 02 June 2013, 4 calls were received from people at the premises with regards to serious disorder occurring at the venue. Two of the calls indicated in the region of 30 persons fighting and that bottles and glasses were being thrown.

One of the calls made by a family member of the premises licence holder. Officers in numbers attended the venue. They found in the region of 75 people at the location, some were seen with facial injuries and had the appearance of being involved in sort of disorder, a large number were very angry and many appeared drunk. The stance of the police is that large numbers were involved in the disorder and violence for a common purpose

From the calls received and what was found on police attendance, it was obvious that serious disorder had taken place. It was also apparent that the premises was still allowing alcohol to be sold and consumed on the premises in excess of one and half hours after the approved terminal operating hour.

It is the view of West Mercia Police that the premises licence holder had lost control of the event through the numbers involved in the disorder coupled with excessive alcohol consumption. Officers made requests to the premises licence holder to end the event and clear the premises. It is the view of the officers at the time, that she was reluctant to do this. She further stated that 'what could she do' if they did not comply.

This resulted in officers clearing the premises to ensure that no further disorder occurred at the venue.

Notes for guidance:

1. A certificate of the kind mentioned in the form must accompany the application in order for it to be valid under the terms of the Licensing Act 2003. The certificate must explicitly state the senior officer's opinion that the premises in question are associated with serious crime, serious disorder or both.

Serious crime is defined by reference to section 81 of the Regulation of Investigatory Powers Act 2000. In summary, it means:

- conduct that amounts to one or more criminal offences for which a person who has attained the age of eighteen and has no previous convictions could reasonably be expected to be sentenced to imprisonment for a term of three years or more; or
- conduct that amounts to one or more criminal offences and involves the use of violence, results in substantial financial gain or is conduct by a large number of persons in pursuit of a common purpose.

Serious disorder is not defined in legislation, and so bears its ordinary English meaning.

2. Briefly describe the circumstances giving rise to the opinion that the above premises are associated with serious crime, serious disorder, or both.

ANNEX B

West Mercia Police
Herefordshire Territorial Policing Unit
Bath Street
Hereford.

CERTIFICATE UNDER SECTION 53A(1)(b) OF THE LICENSING ACT 2003

I hereby certify that in my opinion the premises described below are associated with serious crime / serious disorder / both serious crime and serious disorder¹.

*Premises*²:
Lyde Court
Lyde Cross
Nr Hereford

Premises licence number (if known): PRO1573

Name of premises supervisor (if known): Karen Elizabeth WARING

I am a Superintendent Ivan Powell ³ in the West Mercia police force.

I am giving this certificate because I am of the opinion that other procedures under the Licensing Act are inappropriate in this case, because⁴:

The level of serious disorder reported and the use of bottles and glasses as weapons.

At about 03.41am on Sunday 02 June 2013, numerous calls were received by West Mercia Police that disorder was occurring at Lyde Court. Some of the calls indicated up to 30 persons fighting and that bottles and glasses were being thrown.

A total of 13 police officers attended the venue to deal with the reports received

¹ Delete as applicable.

² Include business name and address and any other relevant identifying details.

³ Insert rank of officer giving the certificate, which must be superintendent or above.

⁴ Give a brief description of why other procedures such as a standard review process are thought to be inappropriate, e.g. the degree of seriousness of the crime and/or disorder, the past history of compliance in relation to the premises concerned.

It is the view of West Mercia Police that this licensed premises is associated with serious disorder due to the numbers involved, the volume of calls received, the nature of the information given to the police and their observations of what was presented to them on attending the incidents.

It is also the view of the police that the premises licence holder - who is also the designated premises supervisor had lost control of the venue and that she had failed to comply with the operating schedule for the venue with regards to the promotion of the licensing objectives.

West Mercia Police have considered other options available to them with regards to modifying the premises licence either through the standard review process or through negotiation with the premises licence holder. These options are deemed not appropriate as the current premises licence was issued in April 2013. Prior to the issuing of the premises licence, the venue was unlicensed and operated through temporary event notices. The majority of these notices were for classical music events. It appears since the issuing of the full premises licence, the venue is branching out in the type of events they run.

It is the view of West Mercia Police that the designated premises supervisor who is also the holder of the premises licence does not have the skills and experience to manage the venue effectively with regards to promoting the licensing objectives.

There is no requirement for the venue to notify the police with regards to what type of events are being run at the location. West Mercia Police do not feel this is necessary.

However they do feel that additional interim steps are required to promote the licensing objectives.

It is the view of West Mercia Police that the interim steps should be -

The removal of the designated premises supervisor from her position of authority.

A terminal hour as per the current premises licence - but to remove the provision allowing the supply of alcohol to residents

The employment of SIA registered door supervisors on a risk assessed basis.

The provision of shatterproof bottles/drinking vessels.

When making these submissions, West Mercia Police are mindful that they are interim steps and may require further consideration/consultation prior to any full review hearing.
