Please identify those conditions currently imposed on the licence which you believe could be removed as a consequence of the proposed variation you are seeking.

It is proposed that the condition imposing “the provision a minimum of two SIA registered door supervisors on the premise from 2300 to 0030 hours every Friday and Saturday night” to “the premises licence holder is to employ SIA registered door supervisor(s) on a risk assessed basis on the premise from 2300 to 0030 hours every Friday and Saturday night”

It is also proposed that the operating hours be extended every Friday and Saturday night by 1 hour so that late night refreshment can be carried on from 2300 to 0130 hours every Friday and Saturday night as it had prior to the review carried out on 9th May 2008.

The variation does not involve an increase in licensable activities. The use and layout remains the same. The variation is proposed for the same reasons stated in section M(a) of this application.

Please tick as appropriate

- I have enclosed the premises licence
- I have enclosed the relevant part of the premises licence

If you have not ticked one of these boxes, please fill in reasons for not including the licence or part of it below

Reasons why I have not enclosed the premises licence or relevant part of premises licence.

M

Describe any additional steps you intend to take to promote the four licensing objectives as a result of the proposed variation:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 9)

The condition relating to the SIA registered door supervisors and the reduction in opening/licensing hours was first imposed as a result of crime and disorder issues which were prevalent in the area at the time. The applicant has discussed this matter with the local police licensing officer and was assured that since 5 years have passed with little or no crime and disorder connected to the premises, the condition is now outdated and no longer relevant. As such, the Applicant maintains that the proposed variation would not encourage crime and disorder particularly as the Applicant has installed new CCTV security cameras with recording equipment in prominent positions as a day to day deterrent but still retaining the obligation to provide SIA registered door supervisor(s) as and when it is deemed necessary. Otherwise, all other conditions remains unchanged therefore keeping intact the obligation to upkeep the licensing objectives as dictated in the licence.

b) The prevention of crime and disorder

The Applicant has installed new CCTV security cameras with recording equipment in prominent positions as a day to day deterrent to crime and disorder. The Applicant has also had experience with another family run premises where the installation of prominently place CCTV security cameras have been a deterrent to crime and disorder and have seen significant results. Furthermore, the proposed variation, although less onerous, still imposes a responsibility on the Applicant to provide SIA registered door supervisor(s) on a risk assessed basis therefore keeping intact the obligation to upkeep the licensing objectives as dictated in the licence.

c) Public safety

The conditions in relation to public safety remain unchanged and therefore unaffected.

d) The prevention of public nuisance

The conditions in relation to prevention of public nuisance remain unchanged and therefore unaffected.

e) The protection of children from harm

Not applicable in relation to this licence.
