NOT PROTECTIVELY MARKED

West Mercia Police are in receipt of an application to vary the premises licence for a location known as the **Potting Shed, Ryeland Street, Hereford.**

The applicant seeks to extend the operating hours for licensable activities and to extend the same activities into an outside area.

West Mercia Police do not object to this application. It is right to say that the current premises licence is not 'fit for purpose' with a number of conditions that do not effectively promote the licensing objectives.

The applicant has made submissions to promote the licensing objectives. It is our view that if these conditions are reflected in any new licence issued that they would promote the licensing objectives in a proportionate, achievable and enforceable manner.

There are no further police representations
