<b>To Prevent Crime &amp; Disorder</b>
<b>Public Safety</b>
<p><del>To Prevent Public Nuisance Whilst it appears there is a welcoming in the village of the reopening of the Live &amp; Let Live public house, it must be with the consideration of those living in its vicinity.</del></p> <p><del>In the new owner's application for a licence he has incorrectly stated that the premises is located on the outskirts of the village. It fronts and to its side domestic residencies which are only a garden length away and which receive any noise full on. This is the experience of over 30 years of living near to the public house. Depending on the landlord, sometimes the operation was more akin to a bawdy house rather than a country pub.</del></p> <p><del>To request opening till midnight for 365 days a year is unreasonable even if it were for only one day. The village is very quiet and having no background noise, any noise is accentuated. To have a music licence allowing such noise till midnight is totally unreasonable for those living nearby.</del></p>

~~Other local pubs seem to think 11:00pm is quite adequate for them. To have such an application does not provide any confidence in the new owner's desire to run his new business in consideration of his neighbours, but for only his own purposes. To make a nuisance of himself is only going to aggravate the local community and deter them from visiting his pub.~~

~~I would suggest that if a special event does call for a later time Mr Hill makes a special application.~~

**Representation Form – Interested Parties  
Suggested Conditions**

**Premise:** \_\_\_\_\_ **Your name:** \_\_\_\_\_

It would help us with this application if you could suggest conditions you would be happy for the premise to operate under to rectify the problems you are experiencing.

All suggested conditions shall be considered in line with the Herefordshire Council Licensing Policy, the Licensing Act 2003 and the Licensing Objectives.

**Prevent Public Nuisance**

I would like to suggest that the new owner restricts his closing time to 21:00 and only

has musical entertainment on certain days, say once a month. Any more often and he will deter customers from coming out from the city for a quality time and a quiet meal
