Dear Sir ,

**Re. Application from Golden Galleon Fish and Chip Shop, 61 Commercial Road, Hereford, HR1 2BP regarding the extension of operating hours.**

Once again, we have to write a letter to object to the latest in a number of applications that has the plainly obvious potential to make worse the public nuisance already existing in the busiest and noisiest area of Commercial Road where we live.

 himself has been suffering from acute health problems for more than two years that have involved two admissions to hospital, the most recent being last week.

We already have continuous noise problems from drunken late-night revellers every weekend, sometimes until after 5.00 in the morning, as happened last weekend.

Added to this is the operation of taxi ranks on both sides of the road   at the same time, plus motorised road sweepers operating between the hours of 5.00 a.m. and 6.00 a.m. cleaning up the rubbish left behind by the public.

We have always accepted that there would be activity in the street outside during an evening up to midnight, but it is this persistent erosion of what most people would regard as the reasonable time to enjoy a night's sleep which is causing us both, as two council taxpayers, to be constantly on edge, to lose sleep and to be increasingly unable to carry on business to the best of our ability.

We can only hope that you will make the right decision and reject this application.

Yours faithfully,
