

Dear Sir,

I am writing to object on the extended opening hours at the "Monument" pub. Two days at the week-end is quite enough. Residents have to put up with the noise & music & people shouting outside to hear each other above the music. As well as car doors slamming etc. The pub backs on to old peoples bungalows, give a thought to them. Also could you ask them to trim back their bushes on the pavement, it is hard to walk along.

Yours faithfully,
