Good morning Charmaine

I have had some correspondence from Russell concerning your application for the premises licence at the Royal Oak.

It is your application and therefore any change to the application has to be at your request. However I must tell you that it is not an option to change the name on the application.

If you wish to withdraw the application then you can do that but it will require a new application to be made and the process will re-start if a licence is to be granted.

Please let me know what you want to do.

Thanks
