

NOT PROTECTIVELY MARKED

West Mercia Police are in receipt of an application for a new premises licence for a location called **Papa Johns, 19 Commercial Road, Hereford**

This is an application for the licensable activity of late night refreshment.

This premises has been operating as a fast food outlet for a minimum of 3 months.

The location of this premises is within an area identified by the licensing authority within their special cumulative impact policy. This policy has been in place for a number of years and is widely available for the public to review. It is contained within the licensing policy of Herefordshire District Council, this creates a rebuttable presumption that new applications (sic) would normally be refused if their granting would impact on this policy.

The view of West Mercia Police is that this application will impact on the policy. In addition the applicant has failed to recognise this special policy and has not demonstrated that there will be no negative impact on the policy. Additionally the applicant has not put forward steps that recognise this special policy and or steps to further promote the licensing objectives

West Mercia Police therefore object to this application

West Mercia Police will provide evidence to support their objection prior to any hearing taking place
