#### Statutory requirement

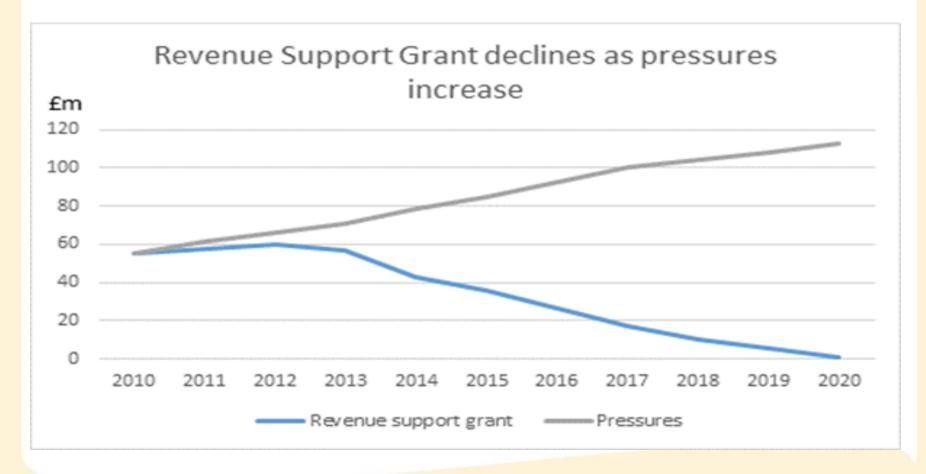

- All Local Authorities have a statutory duty to prepare a balanced budget and specifically:
  - Approve the Council Tax Base
  - Approve the rate of Council Tax
  - Approve the net spending limit for each major service element (Directorate)
  - Approve the Gross Revenue Budget

However, In order to fully understand the revenue budget, Council needs to consider:

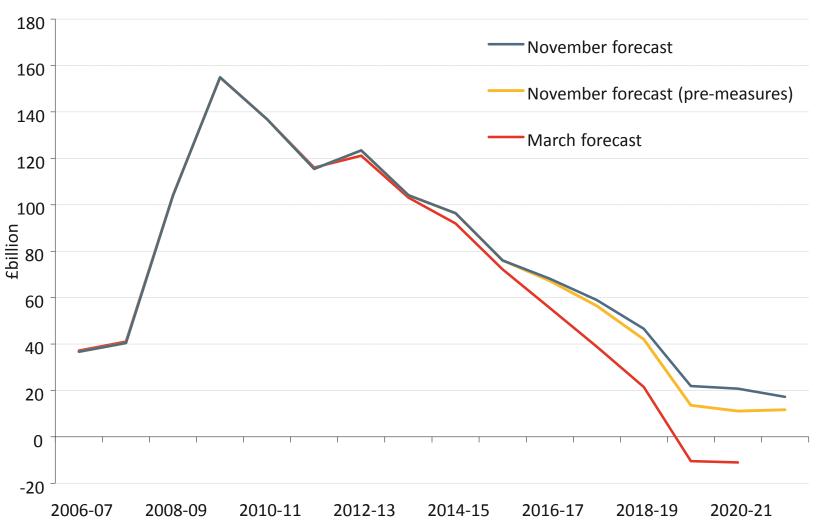

- The Revenue Budget
- The Capital Programme
- The Treasury Management Strategy
- The Reserves Policy
- The longer term implications as set out in its
   Medium Term Financial Strategy
