Actions you will take to follow up from this conference

- Revisit the long term plan at school and ensure all resources are available for each year group. Take a staff meeting to explore ideas further with other members of staff. *Megan Hamer, Wigmore Primary*
- I will definitely be sharing many of the resources with other staff. Love the 'getting pupils to think hard' resources. *Beth Deuchar, Holmer CE Academy*
- Sharing with staff; training with governors
- Share materials with colleagues; put together material and information from course to hand out to year groups; follow up on RE website; follow up on suggested reading! *Rose Burrow, Ledbury Primary*
- Need to work with staff to get RE higher on the school agenda
- Discuss how I can incorporate these great ideas into our already busy teaching timetable with our HT. *Sharon Clarke, Trinity Primary*
- Run INSET days so that all staff are able to attend from many settings. *Melanie Smith, Ivington CE Primary*
- I will use the information and share with the staff in a staff meeting in the Autumn Term. Make a list of websites/video links to share with staff. *Helen Wilson, Kingsland CE Primary*
- Share with staff ways to have 'encounters' as very difficult in Hereford; share variety of resources. *Lesley Grady, St Thomas Cantilupe*

Please continue overleaf if you need to!

Suggestions/requests for future support in Herefordshire?

- Perhaps a development for a Herefordshire RE day where children can meet up with other schools and experience RE in a variety of ways – they could encounter different events and make it valuable to them. *Megan Hamer, Wigmore Primary*
- It would be great to have an Early Years focus in a workshop. RE with 3-5s is very different to KS1. It would be great to share/be given practical advice and ideas to support teaching RE in nursery and reception... Foundation Stage have the most time and space for RE compared to other years, so it seems a good idea to utilise to the max! *Tracy Hughes, Little Dewchurch*
- Is there a way to do something like the multi-faith day at Holmer but without charging quite so much? It is so valuable to encounter people from other faiths. *Carol Alden, Clifford Primary*
- Multifaith input for schools – esp KS2 any funding to enrich understanding. *Helen Wilson, Kingsland CE Primary*
- Help with a list of speakers/visitors that will come into schools as transport is always an issue (costs). *Lesley Grady, St Thomas Cantilupe*
