Internal Audit Charter

The internal audit charter is a formal document that defines internal audit's purpose, authority, responsibility and position within the organisation.

Purpose

The purpose of this Charter is to set out the nature, role, responsibility, status and authority of internal auditing within Herefordshire Council, and to outline the scope of internal audit work.

Approval

This Charter was approved by the Audit and Governance Committee on 21 March 2017 and is reviewed each year to confirm it remains accurate and up to date. It was last reviewed by the Audit and Governance Committee* on 21 March 2018.

*The standards require that Internal Audit report to the Board. CIPFA have, via the Public Sector Internal Audit Standards (PSIAS) Guidelines, determined that the Audit and Governance Committee in this instance represents the Board.

Internal Audit Charter

The charter sets out the nature of services that internal audit will provide and how internal audit will help the organisation to achieve its objectives.

Provision of Internal Audit Services

The internal audit service is provided by the South West Audit Partnership Limited (SWAP). SWAP is a Local Authority controlled company. This charter should be read in conjunction with the Service Agreement, which forms part of the legal agreement between the SWAP partners.

The budget for the provision of the internal audit service is determined by the Council, in conjunction with the Members Meeting. The general financial provisions are laid down in the legal agreement, including the level of financial contribution by the Council, and may only be amended by unanimous agreement of the Members Meeting. The budget is based on an audit needs assessment that was carried out when determining the Council's level of contribution to SWAP. This is reviewed each year by the Chief Finance Officer in consultation with the Chief Executive of SWAP.

Role of Internal Audit

The Accounts and Audit (England) Regulations 2015, state that: *“A relevant authority must undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account the public sector internal auditing standards or guidance.”*

Internal audit is an independent, objective assurance and consulting activity designed to add value and improve the Council's operations. It helps the Council accomplish its objectives by bringing a systematic disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes.

The charter should set out the nature of services that internal audit will provide and how internal audit will help the organisation to achieve its objectives.

Responsibilities of Management and of Internal Audit

Management~

Management is responsible for determining the scope, except where specified by statute, of internal audit work and for deciding the action to be taken on the outcome of, or findings from, their work. Management is responsible for ensuring SWAP has:

- the support of management and the Council; and
- direct access and freedom to report to senior management, including the Council's Chief Executive and the Audit and Governance Committee.

Management is responsible for maintaining internal controls, including proper accounting records and other management information suitable for running the Authority. Management is also responsible for the appropriate and effective management of risk.

Internal Audit

Internal audit is responsible for operating under the policies established by management in line with best practice.

Internal audit is responsible for conducting its work in accordance with the Code of Ethics and Standards for the Professional Practice of Internal Auditing as set by the Institute of Internal Auditors and further guided by interpretation provided by the Public Sector Internal Audit Standards (PSIAS) and the CIPFA Local Government Application Note. SWAP has been independently assessed and found to be in Conformance with the Standards.

Internal audit is not responsible for any of the activities which it audits. SWAP staff will not assume responsibility for the design, installation, operation or control of any procedures. SWAP staff who have previously worked for Herefordshire Council will not be asked to review any aspects of their previous department's work until one year has passed since they left that area.

~In this instance Management refers to the Management Board.

Internal Audit Charter

The charter should set out the nature of services that internal audit will provide and how internal audit will help the organisation to achieve its objectives.

Relationship with the External Auditors/Other Regulatory Bodies

Internal Audit will co-ordinate its work with others wherever this is beneficial to the organisation.

The charter should set out the nature of services that internal audit will provide and how internal audit will help the organisation to achieve its objectives.

Planning and Reporting

SWAP will submit to the Audit and Governance Committee, for approval, an annual internal audit plan, setting out the recommended scope of their work in the period.

The annual plan will be developed with reference to the risks the organisation will be facing in the forthcoming year, whilst providing a balance of current and on-going risks, reviewed on a cyclical basis. The plan will be reviewed on a quarterly basis to ensure it remains adequately resourced, current and addresses new and emerging risks.

SWAP will carry out the work as agreed, report the outcome and findings, and will make recommendations on the action to be taken as a result to the appropriate manager and Director. SWAP will report at least two times a year to the Audit and Governance Committee. SWAP will also report a summary of their findings, including any persistent and outstanding issues, to the Audit and Governance Committee on a regular basis.

Internal audit reports will normally be by means of a brief presentation to the relevant manager accompanied by a detailed report in writing. The detailed report will be copied to the relevant line management, who will already have been made fully aware of the detail and whose co-operation in preparing the summary report will have been sought. The detailed report will also be copied to the Chief Finance Officer (Section 151 Officer) and to other relevant line management.

The Assistant Director will submit an annual report to the Audit and Governance Committee providing an overall opinion of the status of risk and internal control within the council, based on the internal audit work conducted during the previous year.

In addition to the reporting lines outlined above, the Chief Executive of SWAP and SWAP Directors and Assistant Directors have the unreserved right to report directly to the Leader of the Council, the Chairman of the Audit and Governance Committee, the Council's Chief Executive Officer or the External Audit Manager.
