Subject: Mila, Belmont Road, Hereford - variation applications - Police objection notices
Date: 11 February 2019 11:35:22

West Mercia Police are in receipt of applications for **Mila, Belmont Road, Hereford**. The applications are to transfer the premises licence to a Hersh Omar MOHAMMED and to specify him as the designated premises supervisor.

This premises is currently subject to a Police lead review with regards to the sale of non duty paid alcohol.

West Mercia Police are aware that the premises licence was surrendered to the Licensing Authority on 05 February 2019.

West Mercia Police OBJECT to the applications to transfer the premises licence to Mr MOHAMMED and to specify him as the designated premises supervisor.

West Mercia Police are aware that Mr MOHAMMED has been involved in the running of the premises since September 2018 and in October the same year stated he was the manager and was looking to buy the business. It is the view of West Mercia Police was in a position of responsibility and likely involved in the day to day running of the business and therefore would have been aware of the the items found at the premises that are now subject of the Police review application.

It is the view of West Mercia Police that to allow the transfer of the premises licence and ultimately the naming of Mr MOHAMMED as the designated premises supervisor will undermine the licensing objective of the prevention of crime and disorder.
