Subject: Marygold, Union Street, Hereford - new premises licence application.

NOT PROTECTIVELY MARKED

West Mercia Police are in receipt of an application for a new premises licence for a premises known as **Marygold, Union Street, Hereford**. The application is for the sale/supply of alcohol, regulated entertainment and late night refreshment. The applicant seeks to specify the designated premises supervisor as Mikayeel Deen.

West Mercia Police OBJECT to this application.

This premises is within an area that forms part of the special cumulative impact policy of Herefordshire District Council Licensing Policy. The applicant has failed to identify this fact and has failed to put forward comprehensive steps to address the requirements of this policy.

Additionally West Mercia Police are aware that the premises were previously licensed and that its licence lapsed in mid 2018 when the named premises licence holder company was dissolved. Despite this the (same) operators of the premises continued to undertake unlicensed licensable activities up until at least the 18/02/2019. The view of West Mercia Police is that this conduct is irresponsible and undermines the licensing objectives.

West Mercia Police would encourage the applicant to contact the Police to further discuss this application.
