| <b>Consultation:</b>   | Acting Assistant Director Highways and Transport   |
| <b>Decision made:</b>  | To authorise the making of a Temporary Road Closure Order served under section 14(1) of the Road Traffic Regulation Act 1984 to require a temporary closure on the C1072, Bridge Street, Kington, between N.o 45 and N.o 49, planned to be effective for a period of 5 days commencing on the 5th of August 2019.  |
| <b>Reasons for decision:</b>   | To enable Cadent to carry out new gas connection works within the highway, for which purpose the Council, as highway authority, consider the closure of the road is required due to the likelihood of danger to highway users while the said works are being carried out.  |
| <b>Highlight any associated risks/finance/legal/equality considerations:</b> | Localised disruption on highway network which will be mitigated using diversion route signage and closure period to be kept at shortest possible duration.   |
| <b>Details of any alternative options considered and rejected:</b>           | Not to introduce a temporary closure of the road; but there would then be operational difficulties in the said works being carried out, and/or would result in a longer period of disruption. In addition, there would be a greater risk to users of the highway and possible claims against the highway authority as a result.  |
| <b>Details of any declarations of interest made:</b>                         | None   |
