

**Adults and wellbeing scrutiny committee, schedule of
committee recommendations and responses**

Appendix 2

24 June 2019		
Item	Recommendations	Responses
The future of the Herefordshire and Worcestershire NHS Clinical Commissioning Groups (CCG) consultation	The committee would like to see benchmarking and performance/delivery data (as set out in the Draft Operational Plan 2019/20) brought back to this committee in 12 months' time; exploring current and future commissioning outcomes, including tracking of the amount and spend in each of the four CCG footprint areas.	NHS Herefordshire CCG agrees this recommendation.
	The committee recommends that the CCG are invited back in April 2020 to outline their detailed funding and implementation plans for the proposed new CCG footprint.	NHS Herefordshire CCG agrees this recommendation.
	The committee would like to see built in to the new arrangements the commitment to keep a Herefordshire office presence in the new future single footprint area.	NHS Herefordshire CCG agrees this recommendation.
	The committee welcomes and would expect to see Herefordshire place based clinical and lay representation at the appropriate level within the new CCG administration.	NHS Herefordshire CCG agrees this recommendation.
	The committee recommends that when there are significant variations of service delivery, including significant financial changes, the appropriate scrutiny committee is consulted and given adequate time to review these changes.	NHS Herefordshire CCG agrees this recommendation.
