

## **APPENDIX 5 - What is Peer on Peer Abuse?**

All children are capable of abusing their peers. This can manifest itself in a whole spectrum of behaviours including -

- Bullying including cyberbullying
- Sexual violence and harassment
- Physical abuse
- Sexting
- Up skirting (now a criminal offence and has reporting requirements)
- Initiation /hazing type violence and rituals

### **Some useful definitions:**

#### **Sexual Harassment**

This can be defined as 'unwanted conduct of a sexual nature' that can occur online and offline. In the context of this guidance this means in the context of child on child sexual harassment. Sexual harassment is likely to: violate a child's dignity, and/or make them feel intimidated, degraded or humiliated and/or create a hostile, offensive or sexualised environment.

It can include

- Sexual comments, such as: telling sexual stories, making lewd comments, making sexual remarks about clothes and appearance and calling someone sexualised names;
- Sexual "jokes" or taunting;

#### **Sexting**

Sexting is when someone shares sexual, naked or semi-naked images or videos of themselves or others or sends sexually explicit messages. They can be sent using mobiles, tablets, smartphones, and laptops - any device that allows you to share media and messages. This is also known as youth produced sexual imagery

#### **Up skirting**

This typically involves taking a picture under a person's clothing without them knowing, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress or alarm. It is now a criminal offence and may constitute sexual harassment. Cases of 'up skirting' have a mandatory requirement for being reported.

## **Sexual Violence**

In this guidance this refers to sexual violence in the context of child on child sexual violence. Children can and do abuse other children. Sexual violence covers a spectrum of behaviour. It can refer to sexual offences under the Sexual Offences Act 2013. This includes: -

**Rape:** A person (A) commits an offence of rape if: he intentionally penetrates the vagina, anus or mouth of another person (B) with his penis, B does not consent to the penetration and A does not reasonably believe that B consents.

**Assault by Penetration:** A person (A) commits an offence if: s/he intentionally penetrates the vagina or anus of another person (B) with a part of her/his body or anything else, the penetration is sexual, B does not consent to the penetration and A does not reasonably believe that B consents.

**Sexual Assault:** A person (A) commits an offence of sexual assault if: s/he intentionally touches another person (B), the touching is sexual, B does not consent to the touching and A does not reasonably believe that B consents.

## **Consent**

Consent is about having the freedom and capacity to choose. Consent to sexual activity may be given to one sort of sexual activity but not another, e.g. to vaginal but not anal sex or penetration with conditions, such as wearing a condom. Consent can be withdrawn at any time during sexual activity and each time activity occurs. Someone consents to vaginal, anal or oral penetration only if s/he agrees by choice to that penetration and has the freedom and capacity to make that choice.

It is important to know that: -

- A child under the age of 13 can never consent to any sexual activity;
- The age of consent is 16;

Sexual intercourse without consent is rape.
