Meeting: Council

Meeting date: Friday 5 March 2021

Report by: Monitoring Officer

Classification

Open

Decision type

This is not an executive decision.

Wards affected

Countywide

Purpose

To consider motions received on notice.

Recommendation

THAT: the motion listed at paragraph 6 is debated and determined by Council.

Alternative options

- 1 There are no alternative options to the recommendation; the constitution makes provision for motions on notice to be debated and decided by Council.

Key considerations

- 2 The constitution provides that members of Council may submit written notice of motions for debate at Council. A motion must be signed by the proposer and seconder and submitted not later than midday on the seventh working day before the date of the meeting. A member cannot propose more than one motion on notice per meeting and a maximum of three motions will be debated at meetings of full Council.
- 3 Motions must be about matters for which the council has a responsibility or which affect Herefordshire.
- 4 Motions for which notice has been given will be listed on the agenda in the order in which notice was received unless the member giving notice states, in writing, that they propose to move it to a later meeting or withdraw it.
- 5 Up to one and a half hours will be allocated to debate motions on notice but that time may

be varied at the discretion of the chairman.

- 6 One motion have been received and will be debated at the meeting. The motions for discussion are set out below:

Motion 1 – Flooding and Phosphate Management Resourcing

(Proposed by Councillor Toni Fagan, Seconded by Councillor Elissa Swinglehurst)

We request that the executive of Herefordshire Council to write to our MP’s and government ministers requesting urgent intervention and immediate resourcing for our statutory agencies to address the issues of flooding and phosphate overload which is ravaging Herefordshire’s economy, ecology and communities.

- 7 The constitution provides that the report to Council containing notices of motion on hand will also include detail of progress of all outstanding resolutions. There are outstanding resolutions with respect to six motions considered at earlier meetings of full Council. The resolutions and updates of progress against these resolutions are provided below:

Date of meeting	Motion	Current Status
9 March 2018	Video Casting of Council Meetings	<p>A decision to initiate a procurement process has been delegated to the level of officer decision. A procurement process will be undertaken and a further report will be produced to recommend the appointment of an approved supplier.</p> <p>Under current practice all Council meetings are being run virtually; video-enabled and live-streamed. This experience is feeding into the procurement process and will be in effect until May 2021 at which point the current regulations for remote meetings come to an end.</p>
<p>RESOLVED:</p> <p>That, to align this council with best practice elsewhere, the executive is asked:</p> <p>a) to consider again the merits of ‘up-grading’ from audio to live on-line video streaming so that the public meetings of Herefordshire Council and its elected members would be publically open and visible to those unable to attend, and that the recordings should be archived and made available on-line.</p> <p>b) To consider a trial period for live video streaming with the opportunity during the trial for feedback from elected members and the public.</p>

<p>RESOLVED:</p> <p>That this Council asks the executive to investigate the adoption of the Community Infrastructure Levy as a matter of urgency, ensuring it is implemented for Herefordshire no later than January 2021.</p>		

Date of meeting	Motion	Current Status
17 July 2020	Tree Strategy	<p>An executive response is being prepared for March 2021.</p> <p>This will jointly respond to the Tree Strategy and Decline in hedgehog population motions proposing the development of a more comprehensive Nature Strategy to further protect and enhance local biodiversity.</p>
<p>RESOLVED:</p> <p>We call upon the executive to expedite the delivery of a detailed tree strategy for the county. A 2014 draft document exists that might provide the basis for a new strategy which will reinforce our commitment to the environment and align with our declaration of a climate emergency.</p>		

The Government is currently consulting on an England Tree Strategy and we ask for the council to respond to this consultation.

Furthermore, in the interim and as a matter of urgency, we ask the executive to consider what can be done to protect existing trees and to take immediate action by planting, maintaining and protecting trees in order to have established growth by 2030.

Date of meeting	Motion	Current Status
9 October 2020	Decline in hedgehog population	An executive response is being prepared for March 2021. This will jointly respond to the Tree Strategy and Decline in hedgehog population motions proposing the development of a more comprehensive Nature Strategy to further protect and enhance local biodiversity.
<p>RESOLVED: That –</p> <p>A recent study has shown that the UK population of Hedgehogs has declined from around 30 million to only 1 million. Whilst it is not yet a European Protected Species it is a British mammal where the population is in steep decline and I am calling upon our executive to please consider ways in which Herefordshire Council can include measures for adaptation, mitigation and for the protection of Hedgehogs to a level comparable to that required for European Protected Species.</p>		

Community impact

- 8 Herefordshire Council's adopted code of corporate governance provides the framework for maintaining high standards of corporate governance in order to achieve the council's vision of "people, organisations and businesses working together to bring sustainable prosperity and well-being for all, in the outstanding natural environment of Herefordshire."
- 9 In accordance with the code, the long-term nature of many of Herefordshire Council's responsibilities mean that we should define and plan outcomes and that these should be sustainable. Decisions should further the council's purpose, contribute to intended benefits and outcomes, and remain within the limits of authority and resources. Input from all groups of stakeholders is vital to the success of this process and in balancing competing demands when determining priorities for the finite resources available.

Equality duty

- 10 Under section 149 of the Equality Act 2010, the 'general duty' on public authorities is set out as follows:

A public authority must, in the exercise of its functions, have due regard to the need to –

- (a) eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act;

- (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
- (c) foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

11 The public sector equality duty (specific duty) requires us to consider how we can positively contribute to the advancement of equality and good relations, and demonstrate that we are paying 'due regard' in our decision making in the design of policies and in the delivery of services. If any motion results in a request that the executive (cabinet) consider taking some action, the cabinet will have regard to the equality duty when determining its response to the request.
